

# Maria Torres Finishes Among Top 20 Juniors in the World

*(Saturday, September 15, 2012)* - Despite a significant difference in the weather she is used to playing, María Torres tallied another accomplishment in her golfing career by placing among the top 20 junior boys & girls at this year's Duke of York - Young Champions Trophy field of international junior golfers who played at Royal Troon Golf Club in Ayrshire, Scotland.

Torres finished in 19th place among the 53 competitors who included junior national champions from around the world. Within the girls division, Marifé (236) came in 5th place behind Casey Danielson (235) from USA, by only a one stroke difference. (**FINAL RESULTS**)

Torres returned home over the weekend for a quick break before she travels again for her next event in Antalya, Turkey. She will be joining 2010 WATC teammates, Kyle Roig and Patricia García, for their second chance representing Puerto Rico at the **2012 Women's World Amateur Team Championships** for the Espirito Santo Trophy.
