New For 2015!

Westfields Tournament Shop Package –

The Westfields Shop package features a spectacular array of golf merchandise. Every player in the field would receive a gift certificate worth a value determined by each event which can expand from \$10-\$500 per participant. This is a great way to have your guests walk away happy with a gift they choose. The cost to the tournament would be less than the amount of the gift certificate provided by 20%. For example, if the tournament provides each player with a \$50 gift certificate, it would only cost them \$40. Everything in the golf shop at Westfields Golf Club would be available with this package.
