

# Ladies Evening Get To Know Program

Golf can be a very intimidating sport to many, and it has been my goal at every facility I have worked at to make everyone comfortable and want to get on the golf course and play. I have come to find out that many women tend to not play because they do not have any partners to play with. So that is also a major part of this program, getting closer and more connected to your fellow members as well as becoming a better golfer. The biggest thing to remember is that golf is a GAME, something to enjoy and have fun doing. Below is the base schedule of a night and the dates of the program.

## Clinic Night Schedule

6:00PM-6:35PM: THAT EVENING INSTRUCTION

6:35PM-6:45PM: GETTING A DRINK AT THE BAR

6:45PM-7:00PM: GOING ON THE COURSE

## Clinic Dates

CLINIC DATES

MAY 9, 16, 23

6:00PM – 7:00PM

SUPERVISED PRACTICE

MAY 13, 20, 27

## READY FOR FUN

This golf side of this program will be focused more on the beginner of a golfer but just don't forget this program is also very much about getting to know your fellow members.

For each lady that signs up for this program she will not only get the three clinic days and three supervised practice days, but she will also receive one free 30 minute lesson.

The cost of this program is \$125. Please pay cash or make checks payable to Douglas Stidham. If you have any questions please call the shop as 747-0115 and ask for Doug or email me at [dstidham@orchardridgecc.com](mailto:dstidham@orchardridgecc.com).
