What a difference a couple weeks make! The grass on the putting green is thriving and we are exactly where we want to be with growth. However, we are two weeks behind than we originally planned due to the construction period taking longer than anticipated. The 90 day grow-in period puts completion in mid-September but I am not giving up on the outside chance of the green opening earlier. We remain on schedule for the fire pit gas line and other smaller items that need to be completed.

The only item left to complete our patio project is the outdoor dining furniture. Due to availability of materials and slower production times we will not receive the furniture until late November. In the meantime, we will use the patio furniture we used last year. The plan for the Grille Room this fall is to provide outdoor table service for lunch daily and remain open 2-3 evenings a week for cocktails on the new patio and around the fire pit.

WWGA NEWS

By Bonnie Tyler, President

The WWGA is hosting a Fun Day Tuesday on August 10, 2021. This will be in place of Waterlefe's Ladies' Day. There is a sign-up sheet on the bulletin board in the Pro Shop. We have tee times for 24 ladies starting at 8:04 am. This is open to ALL Waterlefe Passport Golf Members, Waterlefe residents, and Waterlefe Summer Golfers. The maximum handicap for the game is 36. The entry fee will be \$5 (\$4 for cash awards and \$1 for chip-ins.) We will also have proximity contests with awards provided by the WWGA. I hope everyone will be able to stay for lunch (on your own) and enjoy each other's company.
