*What is the most important asset of a club? Membership!*

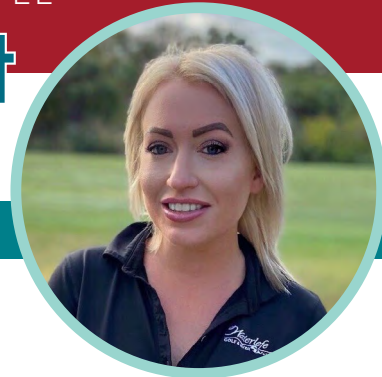

*The Golf Club's 2020 membership year is off to a great start with many golf and social events and there is no better time than now to "brag" about your club. As an incentive, the Golf Club has revamped our referral program and our current members are the beneficiaries.*

*Over the next few days the Golf Club will be launching our new "Membership Matters" initiative. This will include our new referral program where current members can receive up to 9 months free dues. Be sure to keep an eye out for program details by both email and regular mail and don't forget to make a list of potential members.*
