Even though the summer months seem a little slower, our facility is quite active with projects and events. The maintenance crew just completed the first phase of the aerification process and the greens are healing nicely. Our next greens maintenance will be July 11th-13th, which will coincide with our Jr. Golf week. The staff looks forward to helping grow the game with instruction and fun for kids of all ages. Matt Primrose and Rich Williamson have extensive background teaching young new players and making it fun, while teaching a great deal about the game and sportsmanship.

We are on the clock which means the course renovation is less than a year away! The staff have been working the 2022-2023 golf schedule and have moved a few of our events to earlier in the year — our Member-Guest dates have been shifted to February 2023. Make sure you mark your calendars for these great events.

We have all heard the term “supply chain issues” but this can also be a good scenario. We are still receiving new merchandise from our major vendors and this would be a great time to use your shop credits. FootJoy, Adidas and Callaway all have great new products that the Pros are using and are available at our golf shop. Members also can place special orders and use your winnings.

We hope you are enjoying your summer and please let us assist with reciprocal tee times with our area golf courses.

Mark Trotter, *Director of Golf*

Dear Waterlefe Residents
& Golf Members,

I am excited to share these preliminary renderings of the new bar/dining area of the Golf Club. Over the past several months the CDD Capital Planning Committee has been working with an architect and interior design company to create the plans for the Golf Clubhouse remodel. As work continues to get the design plans to completion, the expectation is still to begin construction at the same time the golf course closes for renovation in April 2023.

You will notice in the floor plans the combining of the Grille and Lefe Room, expansion of the kitchen, a new bar with bar seating, a service station for golfers making the turn, and a new community room to host community meetings and small gatherings.

Lastly, please remember these plans are still considered preliminary and some changes are to be expected.

Best Regards,
Steve Dietz, PGA
General Manager
CDD & Golf Club
