Spring is in the air and we are experiencing days with summerlike temperatures. With the summer season just a couple months away there is still plenty going on at the Golf Club. March tournaments include the Spring Two-Man Tournament (March 6th- March 7th) and the Ladies' Solheim Cup (March 24th). In addition to the tournaments the Club will host a 9 & Dine on March 18th, our second Callaway Fitting Day of the season on March 25th, and the WWGA Wine & Wedges Clinic on March 29th.

I am also excited to announce that we are scheduled to begin the putting green renovation the first week of May. This project will enhance the putting green by having it rebuilt to USGA standards. Equally important, the club will upgrade the Grille Room's outside seating area with more tables on a paver patio. The construction period will be 30-45 days and the grow-in period for the putting green will be 60-90 days, which will put us at an August completion. Digital diagrams are currently being developed and will be sent to the membership when complete.

Golf Operations*

## COVID-19 GOLF CLUB UPDATE

Waterlefe Strong! Please refer to our public website, [waterlefe-golf-and-river-club.com](http://waterlefe-golf-and-river-club.com) for information on the Golf Club's continued safe practices on the course, driving range, and Grille Room. All operations are per CDC and government guidelines.

It is important to know, golfers are permitted to ride alone in a cart. If a twosome books a tee time a cart may be shared if preferred. Family members are allowed to share a cart as well. Thank you everyone for your continued support and cooperation!
