## WELCOME to Summer at *Waterlefe Golf Club!*

Our major golf season is wrapping up and it has been an exciting one at that. We were certainly blessed with great weather and a great golf course conditions to enjoy our event calendar this year. Congratulations to all our winners this year and thanks for participating in our competitions. Our lady's and men's major events had great attendance and even surpassed previous rosters. We added additional categories to the club championships this year which increased player participation. As we head into the summer season, the maintenance staff must start its aerification process which will start at the end of May. In order to keep our greens and playing surfaces in great condition we must perform this task. Even though it's a minor inconvenience, it will generate major results as we return to season. During this period it will be a great time to visit our reciprocal golf courses in the area. Please have the professional staff make the call for your group and set up your tee time. It will be a nice preview for next year

when the course will be closed for the heavy renovation. To our northern members who are heading back we wish safe travels home and a cool golf season. To our resident and year-round members please remember to make your tee times early and make adjustments as soon as possible so we can accommodate as many players especially during the early morning. The summer months can be a "little warm" and the afternoon showers tend to dampen eighteen golf rounds. Group tee time adjustments will allow more players to complete their rounds and get more members through in timely fashion. Our facility will also open up to a few outside group outings. Many of these fund-raising functions are a great way to expose our facility to potential new members. We will keep you abreast of our calendar of events and course closures.

On behalf of the golf staff I would like to thank all of you for your support this past season. It certainly has been a pleasure getting to know all the members and serving as your staff. We look forward to a great summer of golf at Waterlefe Golf Club.

*Director of Golf*  
Mark Trotter
