The circle of progress is in full motion as our golf course is getting a huge transformation right before our eyes. The mild April weather has allowed the construction crew to plow through the greens and refurbish the tee boxes for the new turf. It has been an exciting project so far and to watch it come alive has been a great adventure. The golf staff has still been very active. Our reciprocal courses have been very receptive to our members and as we enter the May time frame, we will have more facilities to choose from. We are happy to facilitate the conversation with our sister courses and make your summer a fun experience. Among our other projects this summer, we will be replacing our existing cart fleet with a new one in the fall. Our current vehicles will be taken out and we will be preparing the cart facility this summer for new shipment. Once the clubhouse renovations start our "mobile" golf shop will be in full swing. Golf lessons are still available and great way to utilize the practice facility. Our popular junior golf program will take place July 10th-13th. Space and schedule will be limited due to our clubhouse restrictions. We will keep you abreast of course conditions and progress.

Thanks for your support  
Mark Trotter, *Director of Golf*

## 2023 JUNIOR GOLF CAMP DETAILS

Junior Golf Camp is scheduled for July 10-13 this year.

There are going to be several things that are different with the renovation of the golf course and also the clubhouse. The time for the camp will be 9 AM-Noon each day (*Awards and pizza party will start at Noon on Thursday*). We will not have the availability to have lunch but we will still have a pizza party and awards on Thursday after the camp. Despite not having the golf course the week will be packed full of fun and learning golf! The cost for camp will be \$150 with a \$25 discount for a sibling that is signing up also. Space will be limited to the first 20 juniors so please make sure to secure your spot early. You can call the Pro Shop to sign up for camp starting May 8th. We are looking forward to another great camp this year!

All of us (kids, parents, coaches and board members) participated in the LECOM Suncoast Classic April 20th thru 23rd where the WYGP was the featured charitable organization. Thanks to Steve Slocum, Coldwell Banker – 941 Team, we will receive \$3,750 from the event.

Thanks to Scott Smith who sponsored our tent at the event, we were also able to discuss our program and collect contact information from many of the attendees. We did also receive a couple of donations.

All of the kids participated in the Kids Clinic on Saturday, see pics.

Our May lesson schedule is On the Course at River Run on the 7 th , the Range on the 21 th and Chipping on the 28th. All lessons are at 3pm and you're invited to stop by.

As an aside, John Byers, Head Golf Professional, at River Run Golf Links has agreed to let us to hold our on the course lessons over the summer. He is, also, allowing to take the kids with an adult to play at 5pm or later for up to 9 holes. River Run Golf Links is owned and operated by the City of Bradenton.

Thank you for your support, Board of Directors: *Bob Buchanan, Janis Bumgarner, Diane DeGennaro, Steve Dietz, Vickie Josphe, Gerald Jones, and Tony Tierno*
