### **GATE ATTENDANT**

(941) 708-6866

The fall season is fast approaching which means cooler temperatures and more players coming back to enjoy the golf course. Chris and his staff did a great job on the last aerification which quickly recovered. The summer maintenance work will pay huge dividends for the fall schedule. The October Spooktacular is one of our traditional lady's events that fills quickly. Make sure you have reserved your spot for this great function. The men's kickoff and member-member tournaments will be in the first part of November. All of these events are open for sign-up. If you need assistance with the on-line sign up let the golf staff help. Another important factor for our club tournaments is handicap score posting and having the proper number of scores to be eligible to play. Remember to post all your scores, home & away, so you qualify for our special events.

A big thanks go out to the members who have given their time to help prepare the upcoming season. Great feedback from the members allowed the committees to enhance the tournaments and continue to improve member experience. Please let us know how we can continue to grow and increase participation. If your game needs a tune-up or your clubs need new grips, we can provide the expertise to improve your game. The staff is looking forward to the upcoming fall season. Safe travels south!!

*Respectfully,*

Mark Trotter  
Director of Golf
