## ONLINE SIGN-UP FOR LEAGUES

A member portal for each of our club sponsored leagues has been created to make signing up for events easier. These links can be found in the member only section of the website under member events. You will be able to sign up for future events, view tee times for scheduled events and check results for any completed events. As many of you know, invitations have been sent out for our leagues over the past few weeks and almost everyone has signed up for the events using the invites, but by using these new links you will not have to dig for the invitation email to sign up or even cancel for an event. I am sure there will be questions along the way and I am happy to help where I can.

Registration for an event will open one week ahead of the event while you are out on the course. If there is not an event scheduled for the week, the invitations will be sent the same day as you would have normally played. Online signups for events will close at 10 AM the day prior to the event. If for some reason you need to add or remove your name after that time, please do not hesitate to let us know in the Pro Shop and we are happy to take care of that for you. *Matt Primrose*

## PUTTING GREEN GETS GREENER

Aerification for the golf course is set for September 7th-9th. The putting green will open when the greens on the course are fully recovered. This will ensure same putting conditions throughout the course. Thank you everyone for your patience this summer as we continue to improve and maintain the excellent standards of the course.
