PRE-JUNIOR Golf Lessons

The Pre-Junior Golf Lesson Program is designed for children (ages 7 -10) that want to learn how to play or improve their game. We will be teaching basic swing mechanics as it relates to putting, chipping, irons and woods. We also cover etiquette, rules and equipment. These lessons are limited to 4 students per instructor or 8 total registrants. The fee for **one** or **two** sessions of four lessons is \$75.00each session. Sign up for any 3 sessions for only \$70 each (\$210) or sign up for 4 or more sessions for \$65 each. The more the student swings under our guidance the better they get! Lesson fee is per child (no multiple child discounts). If a student (parent) chooses to miss a lesson there are no make-ups or refunds. Golf clubs will be provided for children that do not have them. The last day of the session the lesson is on the course. Lessons are 60 minutes in length.
