

Central Park

Tennis Club

VERIFICATION OF VACCINATION Providing Proof

Effective October 25th, proof of vaccination or a recent negative COVID test will be required to enter Central Park Tennis Club.

Members age 12 and up must provide **one-time** proof of being fully vaccinated. For the purpose of this mandate, fully vaccinated means that a person has received all doses of a FDA-authorized vaccine and 14 days have passed since the final dose.

Guests must provide proof of vaccination upon entry and may pre-register with the online software program, *The Receptionist*. [Click here](#) to forward the link to your guest.

As an alternative to providing vaccine verification, **prior to entry** members and guests must provide digital or printed documentation from a testing agent, including a laboratory, health care provider, or pharmacy of a negative FDA-approved PCR test administered within the previous 72 hours. [Click here to submit.](#)

Acceptable forms of proof are:

- A physical copy of your Vaccination Record Card from the CDC.
- A picture of your Vaccination Record Card on your phone.
- A digital vaccine card issued by the State of Washington (available by going to <https://myirmobile.com>).
- Specific mobile applications that verify vaccination status will be allowed if approved by the WA Department of Health or Public Health - Seattle & King County.

To help facilitate registering your vaccination status, you may pre-register with one of these three options:

- **Online:** Click [here](#) to connect with the online software program, *The Receptionist*, which will allow you to conveniently upload your proof of vaccination status and have it added to your account. Please note, you will need your membership number to complete this process. **Select Member Vaccination Verification button.**
- **E-Mail:** E-mail vaccineverification@centralparktennisclub.com with a photo of your vaccination card.
- **In-Person:** Visit one of three managers with your proof of vaccination. You must schedule an appointment by [clicking here.](#)

Thank you for your understanding and cooperation.
