

SWIMMING POOL

The Club assumes no responsibility for the safety of members and their guests.

The pool is opened in late May and closes in mid September, weather dependent.

Pool use rules:

WHEN LIFEGUARDS ARE NOT PRESENT NO ONE UNDER THE AGE OF 16 IS ALLOWED TO ENTER THE POOL.

- All members and their guests must register at the Desk upon arrival.
- Before entering the pool, all swimmers must have a cleansing shower, per the Public Health and Safety Board regulations.
- Before entering the Clubhouse, swimmers **MUST** dry off, and put on cover-up attire and footwear. The only area in which swim suits, without cover-ups and footwear, are allowed, is in the pool area.
- Parents are responsible for adequate supervision of their children (cannot leave children under 12 years old) and their children's guests. Rules of the pool area must be strictly observed, and violations may result in the loss of swimming pool privileges.
