Social Membership Information

As a Social Member, you will enjoy all the Clubhouse has to offer from casual themed events to higher end jacket-only affairs. We offer lunch daily with the exception of Mondays when the clubhouse is closed and several evenings of dining as scheduled each month. As a social member of the Grand Haven Golf Club, you must participate in the Food Minimum Program. It is a nominal fee each month that, through moderate participation at lunches, dinners and special events, is very easily satisfied.

Food Minimum and Billing Information

- There is no charge unless you don't meet the minimum in the allotted time. If that happens, the system will automatically charge you the difference between what you spent and the minimum amount.
- There is no credit on your account or monies paid in advance that you would apply to the minimum. There is a \$50 non-refundable registration fee that posts to your member account upon activating the membership.
- **Alcoholic Beverages (of any kind), tax and gratuity do not go toward meeting your minimum.**
- Once you meet the minimum, the system stops tracking your food purchases until the start of the new cycle (first day of the new month or first day of the new quarter, depending on your choice). Of course, we'd like to see you even after you've met your minimum!
- You will receive a member number and a credit account that you may sign all of your charges to and we will send you that itemized statement when we close at the end of each month. On or about the 5th day of the following month, the balance will charge your authorized ACH account on file for the total amount. We have this 5-day lag time in order for you to review your statement before we charge your authorized ACH account.

Other Membership Information Points to Know

- Please make reservations for dinner at least 24 hours in advance. We do sell out quickly for some events/dinner nights (Thursday is our popular Prime Rib Feature for dinner) so the earlier the better!
- Your guests are welcome. As their host, you will need to settle your guests' bill. All guest food purchases will go toward your food minimum.
- We do have a dress code for both the Course and Clubhouse. Please read over the enclosed dress code card.
- Golf is available to Social Members and their guests on a daily fee basis. The fee is \$105 in season and \$85 in off-peak season (June-Sep) including cart fee. The range is available to you for a daily use fee of \$12.
- The Clubhouse is available for all of your private event needs. Contact our Special Events Coordinator at 386.445.2327 ext. 3206 to make your occasion a memorable one!

We welcome you as a member of the Grand Haven Golf Club!
