This year's theme is celebrating Grand Haven's 20th year! From Birthday party fun during the Ice Breaker to a more elegant Anniversary party theme dinner on Friday night; the committee has been hard at work pulling together a fabulous experience! This event is a great way to show off your club to friends and neighbors and meet some new golf friends as well! If you are a non-member and would like to play, give the golf shop a call—we have some golf

members that would love to invite you to play. Two weeks after the Women's Member Guest, we will kick off the Men's Member-Member April 26th through April 28th. This event consists of five nine hole matches within flights followed by a shootout of the flight winners for the Championship. Lot's of great camaraderie and friendly competition no matter your ability level. Details are available in the golf shop. If you aren't sure who you could ask as a partner, let us help pair you up! Just get signed up early so you don't miss out!

For our social members we are excited to host another Trivia night on Tuesday April 17th and the Beach Boys cover band "Endless Summer" with dinner and dancing on Saturday April 21st. Of course we have the regular monthly favorites of Birthday Bash April 10th and Turkey Buffet April 24th.

Ladies! The JoFit Van will be here for a Trunk Show on Tuesday April 10th with next season's must have golf fashions and casual wear. In addition to JoFit, our sales rep will also have Lucky in Love Golf and Tennis fashions plus some specials for you to take advantage of that day only! This brand has earned "favorite" status due to it's fit, fabrics, fashion and comfort. Come by and check it out for yourself!

Interested in checking out the latest Callaway Golf equipment? Monday April 23rd we will have two Callaway Custom fitters here to help you learn how Callaway equipment can improve your game. Make an appointment for a fitting or just come by and hit some of the demos; either way it's a great chance to try before you buy! As a special incentive that day, we are offering a "Free Guest Round" with a purchase of \$50 or more of Callaway products.

After a recent round of golf played away that was so slow you could hear the grass growing, I feel compelled to reinforce the importance of Pace of Play. There are so many simple things players can do to keep things moving: have an extra ball in your pocket just in case, anticipate your next shot and be prepared to hit it when it's your turn, always bring your cart to the back of the green before you putt, walk directly off the green to your cart (talk about your score at the next tee box), keep your clubs in your hand as you get back into your cart (you can put them away at the next tee) and no matter how great or poorly you are playing keep moving and save the stories for the bar after the round. A good pace of play is everyone's responsibility and one of Grand Haven's best attributes; let's keep up the good work!

Tune in to watch the Masters this first week of April, here's the television coverage schedule: **ESPN:** The Par 3 Contest will be broadcast live from 3 p.m. - 5 p.m. ET on April 4 and live coverage of the tournament will be from 3 p.m. - 7:30 p.m. ET on April 5-6. **CBS:** Live TV coverage of will be from 3 p.m.- 7 p.m. on April 7 and from 2 p.m.-7 p.m.on April 8. **Online streaming:** Masters.com.

FROM THE SUPERINTENDENT TJ WEST

As I write this newsletter, I am preparing to spend 10 days in Texas, helping prepare for the PGA Tour Houston Open. However, by the time you read this, I will probably be back at Grand Haven! I am looking forward to the opportunity and extremely grateful to Escalante for asking me to go! I also need to thank the 9 other team members at Golf Course Maintenance! Without their hard work and dedication...I would not be able to leave the golf course!

The weather in February was phenomenal for the course! The weather in March...not so much! During the month, we only received 1.2" of rain. We also saw below normal temperatures throughout most of the month and two frosty mornings on the 15th and 16th! Those two days should be it for the frost...fingers crossed!

In April we will begin our more "invasive" practices. Biweekly verticutting of greens will begin, as well as weekly light topdressing. We will also be starting the aerification of tees, fairways, and rough. It has been a long/busy winter and the turf is in need of some relief! With these practices, along with a steady fertilizer regimen, recovery of some week areas should begin!

The bunkers have started to settle and are playing better by the day! We still have some compacting work to do in the faces. But, that should get better as we move toward summertime irrigation cycles! On April 2nd, Shaw Tree Service will return to finish the tree project and will be here for 12 more days. Those days should finish most everything that we need accomplished! In March we finished the leveling of 17 white tee. Had I known that the weather would turn cold, we probably would have waited! However, the turf looks great! We will begin mowing the tee in the middle of April.

I apologize for this short newsletter! I have a few things left to do on the course before I fly to Houston! Please e-mail me with any questions, concerns, or anything that you feel I did not cover here! twest@grandhavengc.com

FROM THE HEAD GOLF PROFESSIONAL BILLY VAN ARSDALE

January 1 2019 will bring some changes to our handicap provider. The "GAFGOLF" (Golf Association of Florida) Company we have used here is no longer. The U.S.G.A. instituted sweeping changes and GAFGOLF was one of the Golf Associations that were affected by the changes. We will be changing over to The Florida Golf Association beginning in 2019. This also means we will be changing to the GHIN system for handicapping. No worries, you will post the same way, You will be able to post from an app, etc. GHIN (pronounced "jin") is an acronym that stands for "Golf Handicap and Information Network". The USGA has a long standing rule for handicapping, all clubs must post the USGA handicap's in an area that is available for all to see. Peer review. All that will be needed to look up any players handicap online is to know what state they have their "GHIN" number in, the number is not necessary. If you would like to become familiar with the "GHIN" system the website is GHIN.com or you can access the information from the U.S.G.A. website as well.

FROM THE OFFICE ADMINISTRATOR AMANDA HOLDEN

Happy, Spring!! I hope the early hints of wonderful weather are treating everyone well and you are starting to get back in to the *spring* of things! The unusually brisk weather during the 1st quarter of the year kept folks indoors and didn't allow for a lot of getting out and about but now there are no excuses.

In reviewing our Food & Beverage spending for this 1st quarter, we noticed some folks were not taking full advantage of what the restaurant and Turn House have to offer! Short on time, try take out! Our staff is happy to prepare a hot and ready meal to go or even a family size tray for entertaining without the hassel. So, like I said earlier, no excuses! Come to the restaurant. Have that meal. Order up that dessert (you know you deserve it). Take advantage of the wonderful events planned and then get out on the course; you're gonna need to work that meal off!!

"March Membership Madness" we've been calling it!!!! This month alone we've had four new trial members sign up! That makes 9 total for the year. These are a result of new residents and referrals from current members. Referrals are our #1 way of adding new members to the club. If you have a referral in mind, pass their information along to us and we'll do all the work! We encourage referrals to join us as a "Member for the day" which includes Golf for 18 holes and dining opportunities in the restaurant! Once they experience the club first hand, they're asking "Where do we sign?" Bring your referrals by today!

**FROM THE CHEF
JASON STASA**

Hello Grand Haven Members! I would like to say a special Thank You to everyone who joined us for our "Around the World" Wine Dinner. It was a fun filled educational evening and we plan to host more throughout the year! Trivia Night continues to be a success as well and we are continuing to offer more theme nights and special events down the road! Once again we urge you to make reservations so we can plan for the events we host accordingly! We always want to make sure that we are providing our members and guests with the best service possible! Also be on the lookout for some upcoming changes to the All Day Dining Menu as well! As always, my door is open so please contact me anytime if there is anything that we can do to enhance your dining experience!

FROM THE WGA SHEILA TEBBANO

The GHWGA has a busy month of April. We are looking forward to good weather and good golf before our regular season ends in May. We have our last Stableford Day on April 10th. This will conclude our Stableford competition and the team winners will be announced at our Closing Luncheon in May.

Also, we host our annual Charity Tournament on Tuesday, April 24th. This year, the Alpha Center in Bunnell is our charity. This scramble tournament is open to all women golfers. Suzette Sweeny and her committee are working hard on auction items and gift baskets that will be raffled to benefit our charity. If you are reading this and you golf, sign up in the pro shop and invite your friends to participate. We always have a great time and provide a substantial donation to our designated charity.

Lastly, on April 12-14th, our members will be participating in the Grand Haven Women's Member Guest tournament, celebrating Grand Haven's 20th Birthday. A committee from the WGA worked with Andrea Knox and Jeri Harper to present a fabulous golf tournament this year. Best of luck to every who is golfing in the tournament!

Here's to a golf-filled month of April.

FROM THE MGA MIKE TEBBANO

April is a busy time for the MGA, as can be attested to by our 4th Annual President's Cup Tournament being played on April 4 and 11. Our membership will be divided into teams and play in a competitive team event, similar to a Ryder Cup match. Following the match on April 11, the MGA Spring Luncheon will occur and the election of new officers for the 2018-19 golf season.

Each week of the month, the MGA will be offering games for the membership. In fact, all year long, our weekly games provide competition with friendship and camaraderie for all to share. Our annual membership drive will begin in May and all male golfers of the Grand Haven community are encouraged to join our league. For more details, visit our website at ghmga.com.

We have been quite fortunate to welcome new members in recent weeks. Eric Levendusky, Ken Ersbak, Louis DiMauro, Eric Hesperheide, and Stephen Hartsfield are the newest golfers to take the plunge into of the excitement of the MGA. We welcome them and wish them an exciting experience with our league.

A special MGA shout-out to TJ and the grounds crew for the excellent care and condition of the course, especially after the tremendous work of repairing the bunkers and clearing out of storm debris along the fairways. We thank you for your dedication and commitment to our community.

In the words of Luke Skywalker and Ben Hogan, "may the 'pars' be with you"
Mike Tebbano

FROM THE LGL SALLY NORD

I'm happy to report that LGLGH has grown since the beginning of the new year. We welcome our newest members, Sandy Strong, Kathy Ersbak, and Pamela Sellars.

Our fourth Coastal Niners was hosted by Hammock Beach on March 12th. In spite of some overcast, breezy weather, mixed in with a little bit of drizzle, we had a fun morning competing with our Coastal Niners friends. Once again, Grand Haven had some winners.

Front Nine: Sandy Malone – Closest to the pin
Kathy Lynn – 2nd place

Back Nine: Sharon Hogue – Closest to the pin
Sandi Walker and Sharon Hogue – 2nd

Due to the weather, we only had one "game day" during March. The winners were Camille Hinsch and Linda Stitzinger.

Congratulations to all of our March winners.
