

Merry Christmas, Berkeley Hills! We've reached the home stretch of 2023 and we're ready to enjoy the season with our members and their families here at Berkeley.

In November we celebrated a time of giving thanks for the blessings that have been bestowed upon us this year. And now in December we celebrate the season of actual giving, a special time for each of us to show our love and appreciation for those we hold dear via that special little something placed in a stocking on the mantle or under the family Christmas tree.

Growing up as children, the excitement of this season most often revolved around the anticipation of obtaining the latest and greatest and shiniest new toys with which to idle away our adolescent hours. But as we entered adulthood we discovered that the true joy and meaning of Christmas is actually grounded in the act of giving to

those we care about, rather than in the receiving. And with that sentiment in mind, I'd like to allocate the remainder of this month's column to a message from Board President Ted Wyerman regarding the annual Berkeley Hills Employee Holiday Fund. Thank you all for helping us enjoy a wonderful 2023 here at Berkeley, and may your season be truly merry and bright this year!

Patrick

Patrick Buhrmann, PGA
General Manager
Berkeley Hills Country Club

Dear Berkeley Hills Members,

As we enter into the Holiday season, I pray this message finds you and your family healthy and prospering in 2023. This has been an exciting year of growth and reinvention for Berkeley Hills, and it's been a true pleasure to witness our progress throughout the spring, summer and fall.

I'm writing to you today to request your assistance in saying "thank you" to our staff at Berkeley Hills who have once again dedicated a great portion of their time and energy to provide a high level of service for our membership this year. As in prior years, we have established a BHCC Employee Holiday Fund as a means for each member to be able to contribute to the staff as a whole.

Your contribution to the Employee Holiday Fund will enable us to provide a significant monetary gift to the front-line employees you see and interact with on a daily basis. It will also permit us to recognize and reward the employees you don't often see in your time at the club, but whose work is vital to our daily operations. Those who toil anonymously behind the scenes to produce and maintain the golf, athletic and dining facilities our membership enjoys.

As in years past, this is a voluntary contribution, and I hope that each of you will be able to contribute a gift of \$50 or more. But please know that any size contribution, regardless of amount, is sincerely appreciated.

You may make your donation via check or cash, or charge it to your member account. Please make checks payable to Berkeley Hills Country Club, and notate on the check that it is for the Employee Holiday Fund. For cash donations, please include a copy of this letter with your donation. And for member charge, please email Finance Manager Jennifer McDaniel at jmcdaniel@berkeleyhillsgolfclub.org with the amount you wish to contribute and she will place the charge on your account.

We ask that all contributions be made **by December 10th** so the funds may be distributed to the staff before Christmas. Please note that 100% of the funds generated from your contributions are distributed directly to Berkeley Hills staff using an impartial formula that takes into account service tenure and the amount of hours each employee dedicates to the club throughout the year. Many employees allocate the monies they receive through this fund towards their own holiday giving for their families, and through your individual contributions you each provide an immense positive impact for your club staff as a whole.

On behalf of your Berkeley Hills Employees, Management Team and Board of Governors, we thank you for your generosity and care for your club employees. Please accept our sincere gratitude for your contribution to the Employee Holiday Fund, and for your consistent and continued support of Berkeley Hills Country Club.

Again, may this letter find you and your family healthy and happy this holiday season, and may blessings and wonderful experiences await you in the new year.

Ted

Ted Wyerman
President
Berkeley Hills Board of Governors

Hard to believe that we've made it to December. Where did the year go? I hope you all had some great times on the golf course this season. I know I'm already looking forward to golf in 2024.

Now that we're almost to the beginning of winter (December 21st, for those of you who like to keep things official), I like to lead off these columns with a reminder about frost and covering greens. I included this info in last month's newsletter, so if you feel a sense of déjà vu as you're reading, don't worry, you're not seeing double.

Once the overnight low temperatures begin to drop into the 30's, I begin leaving messages on our course conditions phone line to update golfers on course status and inform you of when we have a delay in starting times for frost or greens cover removal, as well as whether we will be on cart paths or 90 degrees. **The Course Conditions Hotline number is 770-448-2008. Just dial it, then press 1 to hear current conditions.**

I normally update the line a few minutes after sunrise, so remember to wait until we have some sunlight before you call in for the latest status report. The reason it's updated after sunrise is because we're not able to get a good assessment of frost conditions until we have enough light to be able to see all the greens complexes.

To the left is a picture of a golf green at another facility that golfers walked on while frost was on the green. You can see the damage caused to the turf from foot traffic in those conditions, damage that will take several months to heal. This is the reason we make sure to stay off the putting surfaces until frost is cleared. And remember, just because the practice green doesn't have frost on it, that doesn't mean that the frost has cleared off of other greens on the course that experience more early morning shade from the trees that surround them.

I also mentioned possible delays for removing greens covers. We evaluate covering greens when nighttime temperatures are forecast to drop into the 20's or lower. Now, there is some variation with that. Currently ground temperatures are still fairly warm, so if we have a night where the temperature is going to drop into the upper 20's, but the next day it'll be 50 and sunny for the high, there is no reason to cover. However, as the cold months stretch on and ground temperatures drop, the likelihood of having to cover for those colder nights increases. With our greens turf being less than two years old, we will continue to be conservative in choosing when to cover this winter.

In other maintenance news, we've been on leaf duty for about a month now, and will continue to fight the leaves on a daily basis until they've finished dropping for the year. Once that battle is over for another season, we'll begin our off-season plant and shrub pruning, and tackle some drainage projects to dry out approaches to some of the greens. We'll also be adding in some additional sprinkler heads to our irrigation system to permit watering areas of turf we haven't been able to irrigate in the past.

Finally, as I mentioned last month new range mats are on order. The manufacturer provided a shipping update at the end of November and told us to expect them sometime this month. We'll get those put out on the tee line for you to practice off of as soon as they arrive.

I hope everyone has a wonderful Christmas, and a happy New Year. See you out on the course!

Chris

**Chris Purvis, GCSAA
Superintendent
Berkeley Hills Country Club**

GOLF NEWS

We've arrived at the final month of the year and the golf season at Berkeley Hills is behind us for the most part. We had a lot of fun in November with the Tough Day and the Turkey Hunt...thanks to all of you who joined us for those tournaments and helped make them a success.

Even though we're near the finish line, there's still just a little more tournament golf to play this year, with the Senior Santa Claus 3-Man on the 7th, Santa Claus Open on the 9th, and Ladies Mrs. Claus on the 13th. Be sure and sign up for these fun events and end your golf year with some Christmas cheer.

I hope that everyone who competed in a Berkeley Hills tournament or tournaments over the past year had an enjoyable experience. As we reflect on 2023 and make plans for 2024 we will be looking for ways to improve and refresh our tournament operations. My door is always open, and your suggestions and feedback are both welcome and appreciated.

Now that we're heading into the winter, we'll be playing on dormant Bermuda grass for a few months. During this time your behavior on the course will play an important role in dictating how quickly we bounce back into tournament shape next spring. I mention this in all my newsletters, but it is important to keep pull carts off the tees and away from the fringes of greens. I know it can seem like it's not a big deal, but for perspective, what condition do you think your own lawn would be in if people were permitted to wheel a cart through your grass several times per day? Whether we're riding or walking, the more we limit traffic patterns in areas where the grass is kept short the better our course conditions will be.

Also, many of you noticed how turf conditions on Hole #5 and #6 were quite nice this summer. The reason for this was in part due to enforcing cart restrictions on those holes when necessary. To that end, those holes will be Cart Path Only again this winter. Please do not be selfish and turn monitors off on golf carts to get around this restriction. And of course, please continue to repair ball marks, rake bunkers and fill divots with sand on every hole you play.

The Golf Staff would again like to thank the members of Berkeley Hills for their continued support of the Golf Shop during a great 2023 golf season. We wish all of you a very Merry Christmas and a Happy New Year.

Keith

Keith Roberts, PGA
Director of Golf
Berkeley Hills Country Club

IMPORTANT 2024 DATES TO REMEMBER

BHSMGA UPDATE

FINAL SENIOR EVENT FOR 2023

The Senior Santa Claus Open is rapidly approaching on December 7th. We currently have several teams signed up and are looking for more. This year-end event is a three-man scramble that benefits Toys for Tots.

Pick your partners or just sign up and the club will find partners for you to play with. The signup sheet is located in the Golf Shop.

Entry Fee is \$45, and we ask that each participant bring a toy donation for Toys for Tots. Hors d'oeuvres and a beer or cocktail after play are included.

Let's celebrate together at the end of the season and help the kids. Please sign up and make our last tournament of the year a great success!

YOUR INPUT IS APPRECIATED

Come out and participate in the scheduled tournaments, the week day tournaments, the Senior Interclub Tournaments and Senior Match Play Competitions. We welcome suggestions on how to achieve more participation in our tournaments. Please let me know if you have suggestions.

SENIOR HOLIDAY PARTY

The BHSMGA has been working with the club to promote a holiday party for our senior membership. The date of the party is December 14th, and more information is included later in this newsletter.

Please show your support and make plans to attend. Good participation will permit us to add more fun senior social events to the club calendar in 2024.

BHSMGA

2024 EVENTS NOTICE

We are in the process of organizing next year's tournament schedule and it should be posted early next year.

All weekday BHSMGA tournaments will use current handicaps in 2024.

WGA HAPPENINGS

CELEBRATING A GREAT 2023

Berkeley's golfing ladies celebrated the conclusion of a fun-filled year with the WGA year-end meeting and final golf event of the season on Nov. 9th. A great afternoon of golf (red versus blue) followed the meeting and a delicious lunch.

The highlight of the day was Charlotte Scott ending the season in style with a "hole-in-one". Congratulations Charlotte!

Thanks to everyone who played in our WGA events this year. We look forward to seeing you participating again in 2024. And remember, even though the season is over, the ladies still play every Wednesday and Thursday (weather permitting) throughout the winter. Please come out and join in the fun!

HITTING THE COURTS

2024 Winter ALTA Teams (Preliminary Level)

C2...Winter Mixed Doubles
Estella Ryan / Joe Ryan (Captains)
