Superintendent News September 2021

This Fall we will begin a new technique on the greens. Beginning Monday September 12th, we will cut 3 holes on each green. Two out of the three holes will have an artificial plug, which is flush with the surface. Depending on what hole location it is that day will determine which of the 3 holes will have the plug removed and the flag in place. We are doing this to eliminate the excess of old cups that will be in the green during the slow growing months. Based on the amount of play, we plan on moving these holes every 2 weeks.

Normally in September, we overseed the driving range tees and the target greens. Because we will be installing the irrigation, we will not overseed this year.

It's about 1-2 months away, but here are some updates on the irrigation project that's coming near. At any time, a contractor will show up to bore under the streets where our new irrigation lines will run. It should not disrupt play. As of now, the plan from the beginning to the middle of October, the new pumphouse will be installed on #18. They will remove the little building near the bridge and dig a large hole for the wet-well, pour concrete, and set the new pumphouse. Then at the end of October, the installing is supposed to begin.

Either this month or October, the pipe should begin to show up and be stored on the course strategically.

Once the installation begins, the hole or holes we are working on will be closed until the job is finished. I expect a hole to be closed for a week at a time. All the other holes will be open for play. When we begin to install the Driving Range, it will be closed the same way until it is finished.

Exciting times at the Berk!!!

Berkeley edges Olde Atlanta CC on Wednesday, August 3:

Match Play Captain, Barry Lakas gave this report: “BHCC had an away victory at Olde Atlanta CC. The final tally was 9.5 to 8.5. This keeps us alive for a playoff spot but it still depends on our last match and how the other teams do. Notable play was Ken Weil/Ken Jordan taking 2.5 points. We also had good scoring from Tom Harvey in the pro position with a 77, Ed Odmark with a 75, Ken Jordan with an 80, and Paul White with an 80. Great playing guys.

Remaining Match Play Schedule:

Sept. 2 - BHCC at Indian Hills CC (team B)
