

Patrick Vaughan – Teaching Professional

Patrick has been a teacher for over 40 years. After graduating from the University of Washington with a Masters Degree in Physical Education, He taught at the High School Level in both Physical and Health Education. He also coached various Varsity Sports including the Boys and Girls Golf Teams. He became a Golf Teaching Professional in 1994 and has worked as an instructor at Bellevue Golf Course for the past 21 years. His teaching experience over the years has helped him develop great Communication Skills.

His Goal for his golf students centers on them developing and understanding the golf swing, and learning how to correct the Swing Flaws that interfere with playing better golf.
