GOLF NOTES

PGA HEAD GOLF PROFESSIONAL, BEN DEARMOND

Members,

I hope everyone is enjoying their summer up to this point. The golf course is coming off of its 1st aerification and is healing every day. With the change in hours for the club and the decrease in play throughout the summer months, we will be discontinuing the Shotgun starts only on Mondays until October, and at that point we will continue them for the last month of reciprocal season. We will still run our Thursday Shotgun starts at 9am with an optional lunch included. All Mondays until October will return to normal 7:30am starting tee times.

TPC Treviso Bay is proud to host a few upcoming events, and we encourage all members who are here to come and watch from the patio on the clubhouse! On July 10th and 11th, we will be hosting the *Yamaha Pro-Pro Championship*, one of the biggest major tournaments of the South Florida Section PGA. The following Monday, July 17th, we will also be hosting the *Southwest Chapter PGA Assistant Professional Team Stableford Championship*. For both events, there will be play available to Members following the event conclusions each day in the afternoon. We are proud to expose our wonderful golf course and new clubhouse facility to all of the South Florida PGA Professionals.

Speaking of our golf course, many of you may remember that we were featured in our Membership Golf Guide where My Golf Spy conducted a study in August 2016 of all the golf courses in the state of Florida. The study was based on over 200,000 golf course reviews by users and customers and used a tracking system to compile accurate data. With many factors considered in these reviews, TPC Treviso Bay ranked 5th in the state of Florida. We wanted to share that along with this study, My Golf Spy conducted another study in January 2017 in which they used the same metrics for the United States. Our home club of TPC Treviso Bay ranked #42 out of the top 100 ranked golf courses in the entire United States! To read the study, please visit <https://mygolfspy.com/top-100-golf-courses-2016-mygolfspy/>. I think we can all be very proud of our golf course and the job that Superintendent Gregory Jack and his staff do on a daily basis. If you see anyone from the maintenance staff in the near future, please stop and make sure to show your appreciation for the job they do!

Lastly, just a reminder that our remaining golf course maintenance closure dates are set for the following weeks: July 24th – 30th, and September 11th – 17th. These dates are subject to change based on weather conditions or any outside factors. We hope you all have a wonderful July 4th weekend and a great remaining summer!

Kindest Regards,

Ben DeArmond, PGA
Head Golf Professional

GOLF SHOTGUNS

EVERY THURSDAY 9AM

With this being the first Summer with our clubhouse, we are implementing a few incentives to entice and bring in more reciprocal play. On Thursdays, we will have a 9am shotgun start, which will include a lunch buffet following play at an additional \$15 plus tax and gratuity for our members. The shotguns will be open to members first by making a tee time request for 9am on Thursdays. Members will not be able to request any other times as the requested time must be 9am to be placed in the shotgun. We will run these shotgun starts May through October during the reciprocal season. For the other days of play, we will run straight tee times starting at 7:30am each day. For further information on these new formats or reciprocal season guidelines, please contact the golf shop at 239-331-2052.

DRILL AND PLAY

This practice clinic is designed for doubles players. The clinic is broken up into a warm-up section, drill section (covering groundstrokes, volleys, lobs, overheads) and real point-play practice. Throughout this section the coach will work with the team on strategy, choosing the correct shot, and placement of the ball.

Pickleball 101 Overview

Starting Play – Serve 1st point from baseline behind right service court. Thereafter, serves alternate L & R with each point. Server continues serving until server (or serving team) faults.

Scoring – A point is scored only when a team is serving and the opponent faults. A game is played to 11 points and continues until someone wins by 2.

Serving – Only 1 attempt per serve is allowed

- Server must have both feet behind the baseline when serving
- Server must hit ball underhand, below the waist and before it bounces
- Ball must clear non-volley zone and land in service box diagonally opposite the server
- A serve hitting net and landing in is re-played (service let)
- Doubles – At the beginning of each new game, the team serving 1st is allowed only 1 fault before giving up serve to the opponents. Afterwards, both members of each team are allowed to serve and fault before giving up the serve to opposing team

Double bounce rule – before volleying, each team first shot must bounce –meaning the serve must bounce, then the server must allow the return shot to bounce

Volley – hitting a ball out of the air before it bounces

- Volleying must take place with players feet behind the non-volley zone
- A player cannot step on or over the non-volley zone line on the follow through

Fault – errors that result in a loss of serve or point

- Braking any serves, double bounce or non-volley zone rules
- Ball landing on or not clearing the net (lines are good, except NVZ line)
- Player touches ball with any body part or clothing

Key Terms

Approach shot – A hit allowing player to come to net

Match – A series of games, winner is the best of 3

Non-volley zone – Area where no volleys are allowed

Pace – The speed of the ball

Let – Replay of a point
