a letter from our membership director

The club has opened back up and the Grand Reopening Party was a success! We had a great turn out and everyone loved the Private Stock band. There were a few nice days for golfing throughout the month and we hope that'll continue into February so you can utilize both the course and restaurant. During January Dave and I helped Stephanie McNellis get settled in as our new Food and Beverage Manager and Stephanie Bowles get on her feet as the new Assistant Food and Beverage Manager. We have high hopes that these two will continue providing and increasing the excellent service you're used to.

This month we'll be hosting Kidz Klub on Friday, February 10th. It's been a couple months since we've had one, so get in your reservations for dinner and sign up the kids! We will also have our annual Valentine's Day dinner on Tuesday, February 14th from 6:00 pm – 8:00 pm. The talented and amazing Victoria Floyd will be back playing the harp. We'll accompany Chef John's gourmet menu with beautiful music and a scenic view of the city from our Manhattan Room and the Prairie. Check out this issue for the full menu!

This is the last month for new members to join the club with no dues until March 1st. If you haven't already moved to our lower dues category, Your Club, Our Future, now's as good a time as any! Both you and your sponsored member will receive an amenity package and it'll bring you down to the lowest dues for your membership. In January we welcomed Taylor and Kierstin Kuhn, sponsored by Brett Ballou, and we hope to increase the number of new members in February. We are always happy to have new families and individuals join us here at the Manhattan Country Club.

If you need a membership packet or know of anyone who would like to join, send me an email or come into the office and I'd be more than happy to set up a tour and help them find their place here at our club.

Be Well,
Jessica Anderson

a letter from our food & beverage department

Greetings!

Dave, Chef, and Jessica have been showing Steph and I the ropes. We are very excited to be a part of the team here at the Manhattan Country Club!

As some may know, I am your new Food & Beverage Director and Steph Bowles is my right hand lady. I am originally from Kansas. I have worked in casual dining as well as catering. In all, I have about 13 years of experience in the industry. Together with Chef, I think we can make some magic happen and I can't wait to show you.

Be sure to check out Chef's specialty menu for Valentine's Day. He has big plans and Steph, the staff, and I will be there to ensure you are well taken care of that evening.

Thank you for the opportunity to work with all of you. Please feel free to email me with any questions or suggestions.

Best,

Stephanie McNellis

a letter from our golf professional

Ladies and Gentlemen,

Thank you, everyone, for your support and love as my family welcomed our newest addition! If you didn't see, Hayes McCoy Wempe was born January 11, 2017 and Abby and I could not be more happy! Everyone is happy and healthy, just looking for a little more sleep!

February has arrived and that means we are one step closer to the golf season! New toys for your golf game have started to be released. New drivers and fairway metals, along with new golf balls, will be arriving. Golf clubs will be around for you to demo, as well as new golf balls to purchase to improve your game!

Let's get better in 2017!

See you soon!

a letter from our grounds superintendent

Spring is just around the corner and nicer days are starting to pop up week by week. Hopefully these nice days will stick around for the entire month of February, leading all the way to spring. Other than the weather, our work on the course is going as planned with tree removal and typical course maintenance. As weather permits we will be adding sand to all of our bunkers so that they will be ready for the upcoming season. Here shortly we will be looking to increase our staff size. Servicing all the equipment is going as scheduled and will be ready for the upcoming season.

Please take advantage of any nice days during this winter golf season and we all hope to see you on the course.

General Manager's Message

I bet everyone is ready for spring about now. Hopefully going into February and March there will be ample days for an opportunity to get out and play some golf. Before you know it, warmer weather and summer will be upon us and I know I can't wait.

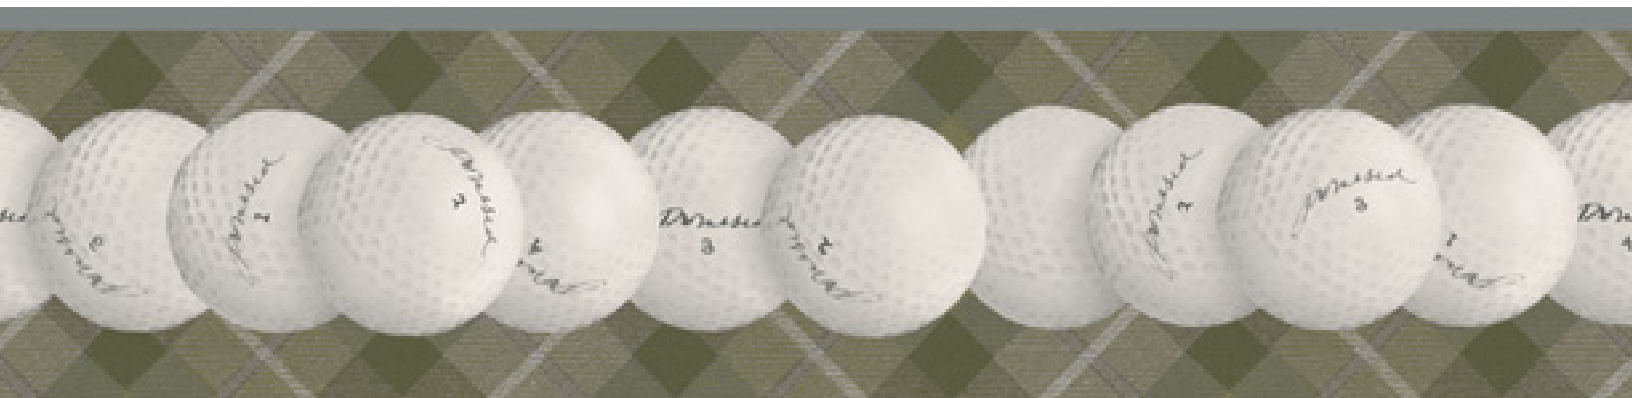

We are working hard on the "Discover Manhattan Country Club" Preview Membership Initiative and have gained 10 new Members since we started it October 1st, which is not a bad start. For this to be successful we could really use the help of all of you. Telling your family, friends, co-workers, business clients, etc. is what it will take to attract additional new members. If you need more packets or for us to follow up on any potential leads you may have, please don't hesitate to let Jessica or I know how we can help recruit for you.

Having to help answer the phone at the Club, we receive a lot of calls from people interested in holding events here. This coming year our banquet business is off to a good start including several wedding inquiries already. We work hard at making all the events at the Club special, so if you know of someone looking to have an event year, have them contact Stephanie McNellis, our new Food & Beverage Manager. She is excited to be on our team and is looking forward to making memorable events for you and your guests.

We have lots of fun events in the works for this year, so we hope to see you at the Club for some of these great activities.

Thank you for all your support,

Dave Kelley, GM
