A Letter From Our General Manager

We have been in the middle of very cold weather conditions lately and I'm sure hoping for warmer weather soon. I'm happy to say the Club is warm and ready to continue serving you as well as entertaining you. We have some very exciting events planned for the next couple of months. We want to ensure you can get out of the house and have some fun as well as eat some great food. Fat Tuesday specials, Valentine's Day, several Kidz Klub events and a Seafood Buffet just to name a few.

Please let us know how you are enjoying the new lunch and dinner menus. We've received many favorable comments on the new items Chef has introduced. Don't forget, we have a great breakfast menu available on Sundays from 8-1.

Last but not least, a special thanks to the members who so generously donated their time to cook, serve and clean up after our annual Employee Holiday Party which was held on January 28th. Pictured are from left to right, Jolene Roberts, Val Kershner, Mitzi Frieling, Kathy Carpenter, Carmen Phillips, Mary Lee Whelan, Terry Kershner, Jim Whelan, Chris Barr, Dave Carpenter, Jon Levin and Darrell Phillips. Not pictured and in the kitchen were JD Kennedy, Doug Hofbauer, John Piskac and John Kobiskie.

Looking forward to seeing you around the Club soon,

Dave Kelley

A Letter From Our Membership Director

Winter has definitely hit Kansas, I don't know about y'all but I am ready for spring! We have some exciting events happening around the club this year and I can't wait to share them with everyone.

As most of you know Dave Carpenter has joined our team as the Marketing Ambassador. His main focus will be recruiting new members to the club. Dave and I have worked side by side the last few weeks rolling out his promotional materials. That does not mean our job recruiting members is done, membership is everyone's job.

I want to encourage all of our members to join our MCC Members Facebook Group. It is a great tool to connect with other members and check out different events happening around the club. We also have a new page on our website for Upcoming Events that will include menus and details of events. We do have a new texting program implemented if you would like to be on the list, but haven't received a text yet, please email me!

As always I want to encourage any members to stop by the office or email me with any questions, comments, or concerns.

Kidz Klub will take place from 5:00pm to 9:00pm. The price is \$10 per kid and tips for the staff are **HIGHLY ENCOURAGED.***

A Letter From Our Food and Beverage Department

After being closed for the first couple weeks of January, it was good to see the club filled again with our members and their guests. The weather was pretty chilly, but that didn't stop anyone from coming and enjoying the Welcome Home party. Dave Lewis and his trivia night were a hit and we hope those that attended had a great time.

The new menu that Chef John prepared is receiving great feedback from our members. After a minor glitch with the font size, Christina redesigned it for optimal viewing. For those who haven't had a chance to come in and try some of our new options, I highly suggest the Kobe beef sliders! The sundried tomato sriracha ketchup adds some flavor and a little bite. If you're looking for something a bit heavier, you can't go wrong with the shrimp and crab risotto. Try something new; you never know what might become your new favorite dish!

Valentine's Day is coming up soon and so is our annual dinner! Chef is offering a beautiful four course meal and dessert that you won't want to miss. Join us in the Manhattan Room and ballrooms for a beautiful meal and entertainment by string ensemble, the Cross Bows. They played for us on New Year's Eve and will be back to set the mood for a romantic evening at your Club. There will be no other menu service in Club XIX, so make your reservations now!

With the help of Cristina Milostan and Chef John Kellogg, we have been working on redoing the wine list for the Club. Cristina is a certified sommelier and Chef John has been in this industry for decades and with their help, we are cultivating some new additions and the return of a few old favorites. We hope you'll enjoy the changes.

Don't hesitate to call, email, or come and see me if you have any questions or comments about our menus, upcoming events, or events you'd like to host.

A Letter From Our Grounds Superintendent

Spring is just around the corner and nicer days are starting to pop up week by week. Hopefully, these nice days will stick around for the entire month of February leading all the way to spring. After a very long dry spell, a couple of snow storms have provided us with some much needed moisture. Other than the weather, our work on the course is going as planned. We have removed eleven trees so far and plan to take down a few more. As weather permits, we will be adding sand to all of our bunkers, so they will be ready for the upcoming season. Here shortly we will be looking to increase our staff size. Servicing all the equipment is going as scheduled and will be ready for the upcoming season.

Please take advantage of any nice days during this winter golf season and we all hope to see you on the course.
