# a letter from our membership director

Is it really November already? I don't know about the rest of you, but this year has flown by. Fall means cooler weather, holidays with family and pumpkin flavored everything.

With that in mind we still have plenty of activities to finish out the year, including Santa Brunch, The Ladies Shopping Trip, and Uncork and Unwind. We already have several reservations for these events. Remember they are a great opportunity to show potential members how great Manhattan Country Club really is. Be sure to check out the Save The Date section of the Fore & More so you don't miss out on anything. Chelsea and I are more than happy to answer any questions about these events.

By now all of you should have received your sponsor packet for potential members. We have already had a few new members through this promotion!! I am always available to answer any questions you or your potential members may have, so please do not hesitate to call or email me.

If anyone is interested in advertising for their business, like the ads below, contact me for more details.

Let the holidays begin!

Be Well,

# a letter from our grounds superintendent

The fall season is upon us and winter is on its way! We are gearing up for the winter projects and during this time of year is when we have a chance to rebuild, service, and sharpen all of our equipment so it will be ready for the following golf season. We will also be working on removing dead pine trees throughout the golf course and cleaning up other key areas.

On Saturday, November 12th we will be having a member's work day to help remove dead pines and brush throughout the course. There will be a sign up sheet in the Pro Shop and a start time will be between 10 am and 1 pm depending on frost. At 1 o'clock we will provide a chili feed with beverages. We will be in need of vehicles and/or trailers to help with hauling. Please sign up and let us know if you will be able to attend and what you may be bringing (trucks/trailers etc.)

There are still plenty of nice golfing days to take advantage of the course, but be aware of frost delays in the early mornings. We would like to thank everyone that participated in Mark's Revenge tournament. It was a fun event and I hope everyone enjoyed our interesting pin placements. A special shout out to the entire grounds crew that have worked so hard to provide a beautiful course. We hope everyone has enjoyed this past golfing season and we will be looking forward to getting ready for next season. On a personal note, Elaina and I would like to thank you all for your support, kindness, and prayers that we have received during her fight with cancer. She is strong and will be fighting each and every day and we look forward to beating and winning this battle! Thank you again.

As always, if you have any questions or comments please contact us.

Fall is here and winter is on the way. Chelsea and I have lots planned for the coming couple months, starting with our Pre-Thanksgiving Buffet offered on Wednesday, November 23rd. With everyone having guests in town it's the perfect way to spend your Thanksgiving Eve without cooking. The club will be closed Thanksgiving Day so that we can all enjoy family time.

Coming up in November is the wine dinner featuring wines from Spain, then the Ladies Shopping Trip and Santa Brunch. Both have been big hits and very well attended, so be sure to make reservations early. We still have a few dates available for holiday parties, but they are sure to go fast. Just give Chelsea a call to book your event.

As always, if there is anything Chelsea or I can do please feel free to give us a call.

Cheers!

Greetings Manhattan Country Club Members,

I'd like to thank each of you for your thoughts, cards, calls, visits to the hospital, and emails during my recent illness and prolonged hospital stay. I'm on the mend and back to work on a regular basis again. I'd also like to thank my management team and staff for all of their hard work and dedication keeping everything going in my absence. Several members mentioned to me what a wonderful job they did while I was away which makes me not only thankful, but also very proud of all of them. Great job team!

Fall has finally arrived per the calendar, but it hardly feels like it with temps still in the 70's and 80's! Now is the time to get out and enjoy our beautiful grounds before the days begin getting too short and the weather too chilly which is bound to happen when the time changes November 6th. There are plenty of great golfing days left before year end so we hope to see you often.

Our wonderful social committee continues to plan amazing events for our membership to enjoy. Don't miss this month's Uncork & Unwind featuring the wine and cuisine from Spain on November 17th or the Pre-Thanksgiving Buffet on Wednesday, November 23rd. We know you'll all be busy in the kitchen on Thanksgiving so we've planned this hoping you will take the night off and bring your guests out and we'll do the cooking and cleaning for you.

We're also in the planning stages of the Annual Ladies Shopping Trip, Santa Brunch, New Year's Eve Dinner, and the ever popular Grand Re-opening event scheduled for January 21. Please plan to attend all of these great events and bring a guest or two!

Looking ahead to the winter months: don't forget to book your holiday party at your club. Take advantage of your membership and book with us with no room rental fees. Dates are still available, but we'll be filling up fast. Contact Chelsea for available dates and I promise, Chef and her along with their talented staff, will make your event a memorable one.

I hope all of you have had a chance to review our new membership opportunities that are available which we mailed out. Now is the perfect time for your friends, family, and associates to join the club. With no dues until March 1st, it doesn't get any better than that. Please contact Christina or I and we'd be more than happy to follow up with any prospective leads you may have.

As a reminder, and in keeping with our recent traditions, the club will be closed all day Thanksgiving Day. If the weather looks good and you plan to play that day, please make arrangements to pick up your clubs in advance. In an effort to keep the course in the best conditions possible, please also be aware that in the event of frost that you wait until it has cleared before you go out. Looking forward to seeing you around the club,

Dave Kelley
