A Note from Our Golf Pro

Dear MCC members,

The KSU football season is here and now is the time to support the Cats but I want everyone to remember the course is open during every home game. So if you can make it out before, during, or after the game please do so.

Please mark your calendar for the Schram Chrysler Dodge Jeep Pro-Am on Monday, September 16th. We will have Golf Professionals from across the state here to compete as individuals and teams. The LGA Open is scheduled for September 21st & 22nd; this is a 36-hole stroke play event in which all ladies are encouraged to play. The Couples Fall Fling tournament is on September 29th. This is always a fun event for everyone and a beautiful time of the year to enjoy the golf course. The tournament is a 4-person team event- 2 ladies & 2 men, so sign up soon and be a part of the fun.

Happy Golfing,

Tip of the Month

How many times have you missed a three-foot Putt? Here is a drill to make three-footers automatic. Start with eight balls surrounding a hole from a distance of one club length. Start with the straightest putt. Knock it in, and move around the circle. Try to make as many putts in a row as you can and keep track of your best. When you miss, repeat the drill. Set goals for you're putting and try to get better each time you practice this drill. With a little practice, your confidence on three-foot putts will go through the roof and you will expect to make them all.

Read the Greens

September is here and Fall is almost upon us. It is now the time of year we start overseeding. We will start with our cool season tees, then moving onto our fairways. We will be aerifying our tees and fairways first, then overseed over top of our aerification. This process takes time, but is needed.

We will also be aerifying our greens on Tuesday September 3rd and Wednesday September 4th, weather permitting. We will be fertilizing greens the week before we aerify along with fertilizing the day we aerify greens. This will speed up the healing process.

I would also like to thank those who participated in the Sand and Seed Party on August 12th. Your help is greatly appreciated.

Be sure to come out to the mower demo day on September 13th from 4-6 PM at the putting green to see the greens mowers and their new technology that could potentially come to Manhattan Country Club.

As always, call or stop me on the course if you need anything.

Golf Course Superintendent

A Note from the Pool

I want to thank everyone for the fantastic summer we've had here at the MCC pool. I had a blast working with everyone. We spiced things up this year with Thirsty Thursday's! I look forward to next summer and what it will bring. As always, if you have any ideas for next year, whether it would be pool games or general ideas, please let the social committee know! Have a fantastic year.

Membership Director

It's September ALREADY. Where did the summer go? The beautiful warm weather is here and yet we are planning activities for Halloween, Thanksgiving and Christmas.

It's tough to get in the holiday spirit this early. If you have any suggestions for entertainment or activities for the fall or winter season, please send me a quick email or call the office. Our Social Committee is always open to fresh new ideas. If you would like to be on our volunteer list, please let me know. We could always use an extra hand when coordinating up these events.

One of the activities which I am really excited about and looking forward to is the Ladies Day Out Shopping Spree to Kansas City. I have heard so many positive comments about this event from last year that I won't miss it. Who doesn't need a day away from the family to get their Christmas shopping done? Chelsea and I plan to be your Shop-erones this year. For those of you ladies who are new to the Club or were unable to attend last December, let me tell you a little bit about the itinerary for a fun filled day.

The day trip begins on a Sunday morning at 8:00am. MCC will provide a breakfast buffet and mimosas. We leave on a chartered bus at 9:00am. Our first stop will be the Legends Outlet Mall in Kansas City. Around 2:30, the bus will take us to the Country Club Plaza where we can enjoy the Christmas lights and do a little more shopping. I love both of these shopping centers!! We depart KC around 6:00pm. You can bring a friend or two or three but absolutely no minor children or men.

Ladies, SAVE-THE-DATE, December 8th. More details to follow in the next newsletter and future email blasts. The bus will fill quickly so give me a call if you want to reserve your seat now. 785-539-7501.

I want to remind everyone of the Mystery Member number that we hide somewhere within the Fore & More. No one has claimed the \$25 Dining Credit for 2 months. Look again!!

Enjoy the rest of your summer!

Diana

A Message from our General Manager

Let me start out by saying “Thank You” to all our members who recruited new members for Manhattan Country Club during our membership drive. And I would like to “Welcome” all those new members. The spring membership drive ended July 31st. I am happy to say we had 35 new members join during the drive. August has been a great month as well with the addition of 7 more new members. Considering the late start the Club experienced due to the weather; and the perfect weather we’ve had lately, I would say this is great news. Thank you to all our membership for their hard work in recruiting and sponsoring new members. And even better news – there is still a lot of great golfing days left for everyone to enjoy. Let’s not stop now. Keep sending us your prospective referrals and we’ll keep up the communication to them in an effort to sign them up.

I love this time of year when the golf course is alive and in the best shape possible. Special recognition should go to Mark and his staff for keeping the course in fantastic condition. MCC has to be one of the best conditioned golf courses in the state this year. The timely rains have certainly contributed to the course staying so green. The rains have also saved funds in our operating budget for that department compared to last year at this time.

There are a lot of great events in the planning stages coming up so be sure to sign up for as many as you can. Sign up and bring a guest and convince them they need to become part of our MCC family. Events to look forward to are: Glow Ball Golf, Halloween Hayride & Haunted House, Zumba Fitness Classes, Thanksgiving Buffet, Santa Brunch and the ever popular, Ladies Shopping Trip to KC just to mention a few.

If you’re looking for a place to cheer on those “Cats”, stop in at Club XIX for game day specials and bring a friend. We always have drink and appetizer specials during the games. Depending on the scheduled time of the game, we’ll be featuring special buffets on game days. Watch your email for those announcements and many other advertised activities available to you and your families.

See you around the club,

Dave
