March is here!!!

Regardless of what Punxsutawney Phil thought when he saw his shadow, spring is nearly upon us. With that comes sunshine, trees budding and golf outings. This also means the greens will be coming to life soon too. We've had a lot of good moisture on the course this winter. We are all looking forward to everything greening up soon.

We have 21 new Members under the new lower dues rate program **AND 20 existing Members who sponsored the new Members who will now enjoy the new 30% reduction in their dues.** This could be YOU!!

The Board of Directors has established a Membership Committee. The committee members roll will be Ambassadors for the Club. If you have a potential member that you would like to sponsor but need a little assistance from me or the Ambassadors, please give one of us a call and we will be happy to assist you. The Ambassador Committee members are:

Dean Thibault

Randy Anderes

Mark Knackendoffel

Tim DeNoble

Fred Hasler

Ben Fair

Toby Finnell

We have also kicked off our Member-Guest FAC's. Now, EVERY Friday, you are encouraged to invite your friends to Friday Afternoon Cocktails to share your Club experience. In addition to the drawing for a bottle of wine and the Member Credit drawing of at least \$500, we will have a special drawing just for your guests. Please have them register at the same table you register at in Club XIX. Remember . . . we draw at 6:00pm sharp!!

I hope to see many of you around the Club this month for Mardi Gras on March 1st, the Chamber Business After Hours the Club is hosting on March 12th, the seafood buffet on March 28th or the event I am most looking forward to, Canvas & Cork on March 26th. Canvas & Cork is open to all Members. It will make an artist out of anyone. Make your reservations TODAY!!!

Happy St. Patrick's Day!

Diana

Course News

March is here! Our "Spring is Here" prediction may have been a little off, but that doesn't mean we aren't preparing for when the season does start. When the weather breaks, we will hit the ground running with our spring maintenance procedures.

Weather permitting; we have continued to work on the course with tree and brush work. The excessive snowfall this season has made it difficult to get onto the course in a safe and timely manner, however, the projects are near completion. As always, please be patient on the morning frost delays during this spring season.

We are just as anxious as you are to get out on the course and get the season started! As always, please contact us with any questions, comments, or concerns.

Pickleball

Did You Know

1. Pickle Ball is the fastest growing sport in America?
2. Chances are your friends, children or grandchildren are learning this fun new sport!
3. Manhattan Country Club has the only Pickle Ball court in town?!?
4. It's a wonderful sport for aging baby boomers and anyone who wants to have fun and get or stay fit!

We encourage you to come out to try your hand at it! Many of our Members have played and are looking to additional players this season. If you are interested in learning, Dudley and Judy McCaw are willing to teach all interested players! The equipment for Pickle Ball is located in the Pro Shop, so stop by and try your hand at it!

A Letter from Our Golf Pro

Greetings, Manhattan Country Club Members!

I hope that this message finds you all doing well. Last month, I stated that I was hopeful that we would see some golf in the month of February. As you all know, that has not been the case in the city of Manhattan. That being said, I believe that spring is upon us and we should have some opportunities to play golf in the near future.

The month of March does bring a couple of events that I would like to put on your radar. On Thursday, March 20th we will be holding our annual Men's League Meeting at 5:30pm and on Saturday, March 22nd (weather permitting) we will kick off the season with the 2014 Polar Open. Should you have any questions on these events or if you'd like to sign up for the Polar Open, please call the Golf Shop.

Thanks for your time. I look forward to seeing you all very soon.

Regards,

Blake Graham

A Message from our General Manager

As I write this month's letter, we've gone from 50 mph winds and near blizzard like conditions this morning, to 45 degrees and sunny this afternoon with high hopes of getting the course open tomorrow for a few days at least. You got to love this Kansas weather!

While winter seems to grind on, MCC keeps bringing you the type of sunshine that can warm your heart – a place to gather with friends and share camaraderie. Whether it is a great round of golf with your friends or family, Friday Afternoon Cocktails, a wonderful dinner on Date Night, our Kidz Klub with FREE babysitting service, fish taco's for lunch or the Sunday Brunch Buffet; your Country Club provides you the very best place to enjoy your family and friends. This truly is the "happy place" where we're having more fun than any other Club I know of in the region.

If you are looking for golf out of this winter weather, check out your options on the Private Club Network. This is a service that you have at your fingertips as a Manhattan Country Club member. The Private Club Network offers some great courses to play in warm, sunny locations. Plan a trip with your friends to a warmer climate where you can play golf in March using your Membership to the Manhattan Country Club. For a listing of current clubs within the network call Member Services @ 1-800-547-0838 or go to their website www.privateclubnetwork.com

If you're not wishing to travel but want to do something active while you're waiting for better weather here, check out all the offerings of our fitness team; from Zumba classes to personal training, our talented and experienced team of trainers have a great program for you. If relaxation is more your speed, make an appointment to have a massage or other spa treatment offered by Pam or Mandy. We offer the fitness solutions you are looking for right here to get your game in shape or get ready for the summer pool season.

It's time to tell your friends to plan on making Manhattan Country Club their place for golf this year. They will thank you for inviting them to be part of our wonderful community where we enjoy and share life experiences that you'll celebrate for a lifetime.

See you around the Club,
Dave

"Membership is Everyone's Business"

You'll be glad you did!
