

2018 Heron Lakes Junior Camp

\$195 per student

Recognizing that golf can be a lifetime sport with the ability to positively influence a child's life, the promotion of junior golf is an important goal at Heron Lakes. The Junior Program is designed to generate a better understanding and appreciation for the sport, enhance performance in every facet of the game, and increase a child's self-confidence.

The Heron Lakes Junior Camp is a six week golf program intended to help juniors of all playing abilities. After the initial session of instruction, every student will play (up to 9 holes) on the golf course *every other week*. Instruction follows play on each of those days. Green fees are included. Each junior is responsible for his or her own clubs. Lunch will be provided by Heron Lakes on play sessions (as noted on the schedule below). The final session includes a pizza party and awards ceremony after the *Junior Club Championship*. **Registration is open to the first 50 juniors Ages 9-17.**

Program Schedule		
Week 1	Wednesday - June 20th, 2018	9am-12pm – Registration / Instruction
Week 2	Wednesday - June 27th, 2018	7am-12pm – Play / Instruction / Lunch
