
HERON LAKES WOMEN'S GOLF CLUB

President's Message

Greetings -

Our Memorial and Home and Home Tournaments are over with the results being publicized in this newsletter. We now have the Club Championship, August 6 and 13, which was organized by Denise Aldridge and Betty Schram . . . thank you ladies. Remember that this tournament is paid for with your yearly dues so hopefully everyone will be able to play.

I had the opportunity to play in a foursome last week with Janet Elliott . . . all four of us were playing Match Play. My partner and I have had very little experience with this type of play and learned lots from Janet, especially after we told her that we'd be thrilled to have her impart her knowledge to us (she is, after all, a retired teacher).

Our discussions then evolved into many areas of which one was her weekly pairings on Tuesdays. She pairs two lower handicap players with two higher handicap players which hopefully sets up an educational situation for the higher handicap members. I for one am going to be letting the low handicap players know that I'm open to any and all suggestions for improving my game. Not everyone feels the way I do, but if you do, why not let your partners know you're open for positive suggestions. We have many fine golfers in our group so it's a great opportunity for free lessons.

Stay cool through the hot weather ahead and remember to protect your skin. Happy Golfing!

Beverly Bollinger
2019 President

Don't forget to sign up for the annual Club Championship coming up on August 6 and 13, 2019. The entry free is included with your membership. The only requirement is that you need to have played 6 rounds of golf.

Don't have a handicap like Joan Heeter? Don't worry. Prizes are flighted and even you could win.

If you can't play in the tournament, you can still play. Just let Denise know that you would like to follow behind the field.

OGA Rules question: True or False

If a ball lies partially in the general area of the course and partially in a penalty area, the ball is treated as in the penalty area?

True. Rules 2.2c and 17.1a. If any part of the ball touches a penalty area, it is treated as lying in the penalty area. This is true no matter which part of the course the rest of the ball lies in.

Remember: For Penalty areas: When defined by a painted line on the ground, the edge of the penalty area is the outside edge of the line, (that is the edge farthest in towards the course) and the line itself is in the penalty area.
