

# HERON LAKES

## WOMEN'S GOLF CLUB

---

### President's Message

Spring is a wonderful time in Oregon with flowers, bushes and trees blooming; wildlife and the occasional rain. The warmer temperatures are providing great weather to be out golfing. It was wonderful to see so many names on the list to golf this week. Tuesday's group had five groups and Saturday's numbers are increasing, weather permitting.

We appreciate all the efforts staff at Heron Lakes have undertaken to keep our members safe and allow us to all continue to golf through this challenging time.

We have several new members joining us this year; please be sure to welcome them and ask if they have any questions or need help navigating play with the Women's Club. If you are a new member, please introduce yourself to women at the course. The Women's Club is always excited when we attract new members.

The changes associated with the Coronavirus are making business and social actions very different. The course has made a number changes to play and operations to allow for social distancing. Changes include no rakes in the sand traps, only one person per cart, green fees paid online, and sanitation of range buckets and balls. The course requires everyone to remain at least 6' from one another AT ALL TIMES – this includes on the golf course, in the parking lot, on the driving range, on the practice green, check-in, etc.

May is a good time to get out and start swinging your clubs. For some, it may have been several months since you played; for others you are already signing up for day's play. I hope you can take advantage of the improving weather and join play on a Tuesday or Saturday with the Women's Club.

Happy Golfing!

## OGA Home and Home Tournament Canceled

The OGA course in Woodburn would have been the host for the Home & Home tournament this summer. The women's club at OGA has decided to cancel the tournament this year for the health and safety of the players. The tournament is a get together that includes three or four women's golf groups for a day of play and friendly competition and rotates locations. I am sorry to see this tournament cancel, but we have a lengthy list of competitions planned within our Women's Club this season.

## The most important shot in golf is the next one.

## Tuesday's Day Play

April lacked showers and we still have May flowers!! Great golf Tuesdays. We had up to 5 groups! New this season beside the Covid-19 and no touch and distance is we are using Golf Genius. This has been a learning curve for us all. You can always call, email or text me to get added and pay at the course. Reminder to keep your scorecards with date and handicap that day for course rating.
