WOMEN'S GOLF CLUB

President's Message

Hello and Happy Summer!

It seems we've finally broken through the rain and clouds to the bright sunshine and the much warmer days of summer. This makes me extremely happy.

Here's a big "thank you" to Janet Elliott for her wonderful organizational skills. We've just completed another successful Spring Handicap Tournament where more than 50 of our members participated. Congratulations to Kelsey Volk, who is the 2021 winner! Kelsey shot an impressive 135! Nice playing. Also, congratulations to all of our 2021 flight winners!

Our club is in the process of updating our bylaws. Linda Pelon, who stepped in for me while I was caring for and ultimately moving my mother, had everything to do with getting this accomplished. I applaud her for her enthusiasm and her ability to get things done. Hollis has also helped me keep focused on what

needed to be done and when. She has a wonderful mind for details, she's quite "techy" and I might just be lost without her help. All this the say, that we should have the 2021 Bylaws updated and posted to the website by the time you are reading this newsletter. Please be sure to thank Linda and Hollis, as well as the entire golf committee for their continued efforts to support our club.

Our club is growing! Please do your part and read the Member Guide. I know I keep mentioning this but it will be helpful to our new members as well as our seasoned members if we are all focused on similar things when we arrive at the golf course. Being prepared, being kind, helpful and patient, take the initiative of knowing the rules like: taking cart path relief, relief from standing water, relief from penalty areas, when a lifted ball can be cleaned and when it cannot, when and how to mark your ball on the green. These rules, in particular are used nearly every round, so please familiarize yourselves with them.

Now that the Spring Handicap Tournament is over let's get refocused on the Match Play Tournament and get your matches completed in a timely manner. I know this time of year is challenging. There are so many choices for golf and of course there are summer vacations. Please make every effort to connect with your opponent sooner than later.

Don't forget to signup for the Memorial is being played on Saturday, July 24th.

Until next month,
Susan

Memorial Event Set For July 24

This year's Memorial Best Ball Event will take place on Saturday, July 20. The purpose of the event is to remember and honor Heron Lakes Women's Club members who have passed away. Played on a Saturday, the event is designed to bring all Club members (Tuesday and Saturday) together to meet new friends and have fun. The Event is played in teams and there will be prizes.

New Member Highlights

Hiromi DePriest is not new to golf, but this is her first year joining a proper club. Hiromi has been playing golf off and on for 10 years. She's a delightful addition to the Saturday group, unassuming and quiet, but strong off the tee.

Above left is a picture of Hollis and Hiromi confirming their scores, where Hiromi scored her lowest round of 88, which happened to be the first round of the Spring Handicap Tournament.

Abbey Price took up the game last year. I was impressed by her perseverance and positivity on the course as a beginner. Abbey dons the cutest golf outfits – her style certainly stands out.

Often you will see one or both of these ladies for a post-round drink. Hiromi likes Hefeweizen and Abbey, the occasional cider.

At right, is a photo of Abbey and Beverly Scott, also a new member.

Welcome Hiromi, Abbey, and all the new members to our club!

We all have busy lives and obligations, but we encourage you to stop at the 19th Hole after your round and get to know your competitors more personally. Sharing your experiences creates inclusion and is just as important as practicing your game.

Club Championship Registration Coming Soon

The Heron Lakes Women's Club big event of the year is coming up soon. The two day Club Championship begins August 3rd and ends August 10th. You must be able to play both days in order to compete. The event will be flighted as the previous tournament. The golfer who scores the lowest total gross of the two days will be our Heron Lakes Women's Champion. Look for an email from Janet soon to sign up for the Tournament.

HLWGC Mission Statement

Our mission is to promote the game of golf for women. We offer assistance and support to each member to obtain her goals, while learning the rules and etiquette of golf in a constructive and cooperative environment. It is our desire to provide an experience that encourages friendship, empathy and inclusion for women from diverse backgrounds by treating each other with respect and dignity.

Notes from your Saturday Captain

It's wonderful having so many players turn out for Saturday. Welcome to all our new members. From the Golf Journal magazine this month, here is a suggestion from a Tibetan monk who plays golf. He suggests setting your intentions before your round and say to yourself "Today I'm going to remain calm and enjoy my friends".

Rules, rules, rules...some things that might not make you feel calm, but the more familiar you are with them, the better you will be able to remain calm!

The four Rules scenarios you are most likely are to encounter:

1. Relief from a cart path
2. Ground under repair
3. Hitting your ball into a penalty area
4. Losing your ball or hitting it out of bounds

Included in the last 2 Newsletters was a link to how to take relief from a cart path. Those Newsletters can now be found posted on the Heron Lakes Women's Club site under "Documents".

Penalty areas - here is a common one we see on the Greenback hole # 13.

I hit my ball over a yellow-staked penalty area (i.e., the water on hole #13). The ball landed on the green and rolled back into the water. What are my options?

The link below is to a 4-minute explanation given by a pro at the Hong Kong Golf Club. Might be a nice place to play. Although not an official USGA explanation, he does a good job of explaining your options on our hole #13, including a situation which happened to me. I landed in the left side green side bunker, hit out and crossed the yellow penalty area mark and landed in the water.

He explains your 2 yellow penalty area options, back to where you initially played the ball and back on the line relief. A little further on he talks about your options if you hit the green but the ball rolls back into the water. Hope it helps.
