All Club members are invited to attend monthly HLMC Board of Directors meetings. Regular meetings usually run around 45-60 minutes in length and are typically held on the **third Tuesday** of each month.

Heron Lakes Clubhouse / Deck - 6:30pm

Getting Started...

Event Registration – For all weekly games and monthly tournaments, members should use the GolfGenius mobile application or the online signup system on the Heron Lakes website to sign up for events. Times can also be booked in person at the course using the handicap posting computer, or as a last resort, by calling the pro shop.

Guests – Any member may sign up one guest during weekly games, if space is available. Regardless of whether they have a handicap, guests are not eligible to participate in the day's game. The member and guest may play anywhere in the field, provided that any member has priority over any guest if space is not otherwise available for a member. A guest is limited to two Club plays per year before they will be required join the Club to further participate. All special requests and considerations may be submitted to the Tournament Chairman for approval.

Final Pairings – When the Course condenses the tee sheet at **5pm** on Mondays (for Wednesdays) and **5pm** on Thursdays (for Saturdays), unfilled foursomes will be removed and pairs/singles will be combined into groups to minimize/eliminate open slots. Original times might be changed as a result. Final pairings will be emailed by 5pm on the evening before play, but it is the *player's responsibility* to check the online tee-sheet for their final tee time.

Cancellations/No-Shows – If you need to cancel, please do so **online by Midnight** on the night **before play** so the starter can have an updated sheet. The online teesheet will remain open until 8am on the day of play for emergencies. Please only call the pro shop as a last resort. "No-shows" will be invoiced for their applicable prize fee AND green fee and will not be allowed to play again until paid.

Round Payments – Members will be **emailed an invoice after their round** through GolfGenius to cover all applicable green fees and prize fees. Simply click on the link provided in the email and enter the requested info. This process allows for accurate Club accounting and provides members the convenience of never having to wait in line at the pro shop for Club rounds. Any member who has not paid their invoice within a week of it being issued, will be prohibited from signing up to play in any future round until their outstanding invoice has been paid. For Weekly Games, **Guests** should pay their green fee at the pro shop.

Prizes – In general, prize distributions for games are 25-30% of the field. Prizes will NOT be handed out on the same day of play. This also allows for peer review to ensure scoring/payout accuracy. Prizes from the previous month will be made available for pick-up at the start of each new month. A Captain will be available during/following Club Play to distribute prizes. Unless the Board has been requested to consider extenuating circumstances, all prize envelopes not collected within **30 days** of disbursement will revert to the Club Treasury.

Pace of Play Policies

1. All efforts should be made to report to the tee box ten (10) minutes prior to your starting time; **the first player in your group should be hitting their ball from the tee at your designated star time.**
2. Slow play will not be tolerated. **Always play ready golf.** When finished putting, go to the next tee and tee off. Each player is responsible for his timely play. The first time you will be warned, the second time is a two-stroke penalty and the third time is disqualification. Board Members and designees will be monitoring groups during all tournament play and weekly games, and assess penalties when necessary.

Grievances & Dispute Resolution

1. The grievance must be initiated within 24 hours of the stated incident.
2. The grieving member will submit an email to the Men's Club President containing: their name, the Date and Time of the incident, all parties involved in the incident (themselves, the party being grieved, and witnesses), the FACTS of the incident (avoiding speculation and opinions) and desired result/remedy.
3. A member of the board (the President or designee) not involved in the incident will investigate grievances. The investigation will be concluded in writing (via email to all relevant parties) within 1 week.
4. Pending the results of the investigation, a one-time request for an appeal may be made within 48 hours of the initial decision. Appeals will be to the Board as a whole. The final determination will be rendered in the form of a majority vote. This decision is final and will officially conclude the grievance.

Course Rules Information

Unless otherwise noted in supplemental rules/information for specific events, all play in the Club is governed by the USGA Rules of Golf and the Club's Local Rules, which are posted on the Club's webpage. It is recommended that members download the **USGA rules app** and have a PDF copy of the Club Local Rules on their mobile phone. When in doubt as to procedure, always play two balls, recording scores for both, and seek clarification.

Standard Event Rules & Procedures

Scorecards – At least one player per group should enter scores on the GolfGenius App; if nobody in the group is able to use mobile scoring, a picture of the paper scorecard should be emailed/texted to the Tournament Chairman.

Competition Opt-Out – If you do not wish to compete in the day's game, you must declare as such BEFORE starting your round. If you do not compete, you may be bumped to make room for competing members.

Handicaps/Flights – The most current Handicap Index as of the day before competition will be used. In individual formats, players receive 100% of their Course Handicap taking into account the USGA required CR-Par adjustment for their final Playing Handicap. Handicap allowances will be specified in tournament rules. Unless otherwise stated, players/teams will be flighted *as equally as possible*, based on final Playing Handicaps.

Prizes – Players/teams cannot win both gross and net in the same competition and will be awarded the higher valued prize. GolfGenius is programmed to ensure the most equitable prize distribution and is used for all events.

Wednesday Weekly Games

Sign Ups – Members book from a reserved block of times: **8am-10:30am** (peak) | **8:00am-10:00am** (shoulder)

Game Entry Fee – **Ten dollars (\$10.00)** | **Optional Gross & Net Skins** (over the field) – Five dollars (\$5.00)

Format/Entry/Prizes – Flighted individual **Nassau** format (front-9, back-9, and total) with gross and net scoring, and **KPs** (number/value dependent on participation). Players can win in all 3 games and all KPs. Prize distributions are based on field composition, with a higher percentage of funds and positions weighted towards net competitions. Player Minimum - 12.

Tees/Handicaps/Flights – By default, all play is from the **white tees**; members **aged 75+ or aged 65+ with a 18HI+** may opt to play the **yellow tees**. Standard handicapping and flighting rules apply.

Saturday Weekly Games

Sign Ups – Members book from a reserved block of times: **7am-10:30am** (peak) | **8:00am-10:30am** (shoulder)

Game Entry Fee – **Ten dollars (\$10.00)** | **Optional Gross & Net Skins** (over the field) – Five dollars (\$5.00)

Format/Prizes – Flighted individual **Stroke-Play** format with gross and net scoring. Prize distributions are based on field composition, with funds being split equally towards gross and net. Player Minimum - 12

Tees – The default tee is the **blue tees**; members may opt to play the **white tees** if they are **age 65+ or 50+ with a 10HI+ or under 50 with a 18HI+**; members **aged 75+ or aged 65+ with a 18HI+** may opt to play the **yellow tees**. Standard handicapping and flighting rules apply. Select dates will bump default tees to black, blue and white.

Monthly & Special Tournaments

Two tournaments are hosted each month, one on a Wednesday and one on a Saturday/Sunday. Formats and entry fees vary for each tournament. The prize pots for all monthly tournaments are supplemented with Club kick-ins and in certain tournaments members can earn paid entries into OGA events. These funds are drawn from the Club treasury, which is generated by membership dues. ALL members are **automatically entered** into two season-long competitions, the **Eclectic** tournament and the **Jossi Points Cup**, with all prizes funded by the Club. Please see **Appendix I-IV** at the end of this handbook for additional tournament details and season schedule.

Handicaps and Score Posting

The Handicap Committee, appointed by the President, is responsible for all aspects of the USGA/World Handicap System and is headed by a Handicap Chairman who has been certified by the Oregon Golf Association. The Club is obligated and committed to ensure the integrity of each Handicap Index issued to its members. In the interest of fairness, and because the Club is compelled by its license with the OGA/USGA, the following educational material has been put together to help ensure that the rules of the USGA/WHHS are honored. While this sounds very serious, these regulations are designed to ensure competitive equity in all Club events.

The Handicap Committee has set forth the following policies and procedures for all members carrying USGA/WHHS Handicap Indexes:

- Players will make every effort to play to their highest potential on every hole of every round, regardless of venue, course/weather conditions or format.
- All acceptable rounds must be posted for peer review, including 9-hole rounds.
- Home and Away scores must be posted before the end of the day of the round played.
- Maximum Hole Score (MHS) must be applied to all scores for posting purposes. (See below for an explanation of how MHS adjustments will be applied)
- The USGA Rules of Golf and the Club's Local Rules must always be followed.

For Club rounds, if GolfGenius mobile scoring cannot be used, a picture of the paper scorecard should be emailed or texted to the Tournament Chairman. Weekly game rounds will be posted as Home ("H") scores, while monthly tournament rounds will be posted as Competition ("C") scores, by the Officer responsible for running the day's game. Members must post all non-Club rounds as either Home (at Heron Lakes) or Away (anywhere else). Monthly audits will be performed by the Handicap Chairman.

Temporary Seasonal Rules: The Handicap Committee has adopted temporary, seasonal Club Local Rules that may be put into effect for dealing with abnormal course conditions (viewable on the Club page within the course website). During the posting season (March-November), scores must be posted even if such rules are in effect.

Disciplinary actions for failure to post or manipulating Handicap Index:

1. First failure to post or manipulation of your score will result in a verbal warning.
2. Second failure will result in a written warning.
3. Third failure will result in the appropriate penalty round issued for scores not posted.
4. After your fourth failure to post your score or continued manipulation of your scores, further disciplinary action will be taken as the Handicap Chairman/Committee deems fair and equitable.
5. Cases requiring extensive disciplinary action will be reported to the OGA.

A player must earn a Handicap Index. No player has an inherent right to a Handicap Index without providing full evidence of ability to our club's Handicap Committee. The Committee has the ultimate authority and obligation to adjust or withdraw a Handicap Index if it deems it necessary to do so.

Scores to Post

To post an 18-hole score, the player must play at least 13 holes in accordance with the principles of the Rules of Golf. To post a 9-hole score, the player must play 7 to 12 holes, and at least 7 holes must be played in accordance with the principle of the Rules of Golf.

Temporary Handicaps

A handicap index will be listed as temporary until 54 holes (any combination of 9 or 18-hole rounds) are posted. Handicaps may be adjusted at the discretion of the Tournament Chairmen to ensure that player's handicap is most representative of his ability. Please do not hesitate to direct any questions or concerns to the Handicap Chairman.

OGA Season Dates, Handicap Revisions, Active / Inactive Season:

- Handicap Indexes are automatically updated on a daily basis, per the WHS.
- OGA active handicapping season begins March 1st. Last day to post a score is November 30th. Last official Handicap Index update of the season is December 1st.
- No local scores can be posted during the off-season, which is December 1st through the last day of February. However, rounds played in sun-belt states must be posted in a timely fashion.

Score Posting Responsibilities

The USGA, OGA and the Heron Lakes Men's Club firmly believes that the responsibility of score posting should be on the **INDIVIDUAL GOLFER** for rounds not played with the Club, not the Pro Shop Staff or the Handicap Committee. Posting a score immediately after play should be an automatic duty to be carried out effortlessly.

A handicapping computer will be readily available in the clubhouse for posting scores. Golfers may also elect to post scores via the Internet by using the www.ghin.com website or GHIN mobile app.

Fundamental Player Responsibilities:

- Know and apply the rules of golf; Know your current WHS Handicap Index; Convert your WHS Handicap Index to a Course Handicap and Playing Handicap

Maximum Hole Score (MHS)

The maximum hole score for a golfer with an established handicap index is limited to a **net double bogey** – which is equal to Par of the hole +2 strokes (double bogey) + any handicap strokes the player is entitled to receive on that hole based on their Course Handicap. For example, a player with a 12CH is entitled to one additional stroke on handicap holes 1 through 12 on the scorecard. On a par 4 hole, with a hole handicap of 10, the player's maximum score would be 4 (par) + 2 (double bogey) + 1 (stroke received) = 7. All scores should be posted hole-by-hole, and the GHIN system will apply MHS as required. In events where handicap allowances are applied, the player's full Course Handicap (NOT the adjusted Playing Handicap) will still be used for all applications of net double bogey adjustments.

Holes Not Played

If 13 or more holes are played, the player must post an 18-hole score. If 7 to 12 holes are played, the player must post a nine-hole score. In either case, scores for unplayed holes must be recorded as par plus any handicap strokes that the player is entitled to receive on the unplayed holes.

Example: A player with a Course Handicap of 13 stops playing after 16 holes because of darkness. Hole 17 is a par 3 and is the number 18 handicap hole. The player will record 3 (par) for an X-3 on hole 17. Hole 18 is a par 4 and is the number 12 handicap hole. The player will record 4 (par) plus 1 handicap strokes for an X-5 on hole 18.

Incomplete Holes / Conceded Strokes

If a player does not finish a hole or is conceded a stroke, record the most likely score for handicap purposes. A most likely score is the number of strokes already taken, plus in the player's best judgment, the number of strokes needed to complete the hole from that point more than half the time. The most likely score should have an "X" preceding the number. For example, player A is just off the green in two strokes, and player A's partner just holed out for a two; therefore, player A decides to pick up. Player A determines the most likely score would have been to chip on and two putt; therefore, player A will record an X-5 on the scorecard (two strokes already taken plus three more strokes to complete the hole). Player A does not automatically put down the Maximum Hole Score (MHS) allowed. This process should be followed in all match play and team games with formats like a best-ball.

For more information about the **World Handicap System**, please visit www.WHS.com

Appendix I – Club Tournaments

Monthly Tournaments

Registration – The Club will host one Saturday tournament and one Wednesday tournament per month. Formats vary month to month, and will include a mix of individual and team events. Starting times may be requested and will be honored as best as possible, but barring extenuating circumstances, pairing groups will be assigned.

Flights/Tees – All tournaments will be flighted as equally as possible based on final adjusted individual/team Playing Handicaps. The number and size of flights will be dependent on field composition. Main prizes can only be won within flights, while skins and bonus titles are typically over the field. Players/teams cannot win in both gross and net main competitions and will be awarded the higher valued prize. Tee info provided for each event.

Handicaps – The most current handicap index as of the day before the competition will be used. For 2-Day events, the starting handicap index will be used for both rounds. Team handicap maximum differentials and handicap percentage allowances may be applied in team events. Generally, when two or more balls are in play on a hole per team (e.g. best-ball or shamble), each player is allotted their adjusted net strokes on holes as they fall.

Five-Round Rule (Major Tournament Eligibility)

To compete in any Major Tournament, members must have played at least 5 prior Club rounds. All weekly games and regular monthly tournaments count as one “Club round”, with all two-day tournaments counting as two rounds. Credit will be given for OGA and USGA sponsored events, which members must report to the Tournament Chairman. Majors are denoted by an “M” on the below tournament schedule. Exemptions may only be granted for good cause, upon application to the Tournament Chairman, and only if space is available.

Eclectic/Ringer (Season-Long Tournament)

The best gross and net scores a player has made on each hole during eligible Club rounds will be used generate a best-possible 18-hole scorecard. All members are **automatically entered** into this tournament and all prizes are funded by the Club. **Regular Season: 1st Half** – March through July 9th; **2nd Half** – July 13th through Turkey Shoot (Nov). Prizes will be awarded for top gross and net in each half, and for the **Overall Regular Season Champions**. Wednesday and Saturdays will be recorded as separate competitions. Scoring will be relative to par each hole, regardless of course. A **Winter Season** will track scores from Turkey Shoot through February 2023.

“Jossi” Points Cup (Season-Long Tournament)

This tournament is named in honor of brothers **Bob “Buzzy” Jossi** and **Fred “Fritz” Jossi**, two beloved, longtime founding charter Club Board members. From March to the Turkey Shoot (Nov 21), members will earn points in every Club round played. Players must log at least 13 holes to earn a base value of **participation points**. To be eligible to earn additional performance points, players **must finish out every hole without taking any “Xs”** during the round. Members will continue to accrue points in every eligible round played, adding to their season aggregate total. **Weekly Game** scoring will always be 18-hole net stroke-play over the field. **Tournament** scoring will be dependent on the format of each tournament. For team tournaments without any individual scoring component (ex. Shamble/Scramble) points will be awarded to teams based on tournament standings and will be equally split by team members. The top 15 points leaders by the Turkey Shoot on Sunday November 20th are guaranteed prizes. No additional entry fee is required as the Club will fund all prizes.

Appendix III – Paid OGA Event Opportunities

The Club gives qualifying members the opportunity to represent the Club and compete against the best golfers in the region by paying their entry fees into several major OGA Championships. As representatives of the Club, participating members are expected to abide by all USGA and OGA policies, and conduct themselves in a manner that will positively promote the Club. Members who qualify for a future year event must maintain their active Club membership during the season in which the OGA event is to be played. If a member cannot attend the event for which they have qualified, the next person in line will be offered that opportunity.

2022 OGA Tournament of Champions – Creekside GC 5/21-5/22

2021 Club Championship – Open and Senior Gross Champions

2022 Oregon Amateur Championship – Willamette Valley GC 6/20-6/25

Low gross finisher from each of the Club's qualifying dates (5/7 & 5/14) earn paid into a **QUALIFIER** at either Quail Valley (6/4), Stone Creek (6/8) or Tokatee (6/11). Player must pay \$100 entry if they advance to WVCC.

2022 Oregon Public Links Championship – McNary GC 7/9-7/10

2021 Club Championship – Open Gross Runner-Up

2022 OGA Super-Senior Championship – Emerald Valley GC 8/17-8/18

2021 Club Championship – Super Senior (65+) Gross and Net Champions

2022 OGA Four-Ball Championship – TBD

2022 Best-Ball Championship – Open & Senior Gross Champions (Teams)

2022 Oregon Senior Amateur Championship – TBD

2021 Club Championship – Senior (50+) Gross Runner-Up Field is limited to 96 players

2022 OGA Net Championship – TBD

2022 Club Championship – Open, Senior & Super-Senior Net Champions

2022 Wednesday Open – Overall Net Champion + 3 flight winners

***2022 Oregon Team Championship* – Juniper GC 10/1-10/2**

2022 Club Championship – Open Gross Champion

*The Open Gross Champion from the Club Championship is invited to serve as Team Captain. The President will appoint a Selection Committee to choose the next 3-7 members, depending on whether we are able to get a Team #2 entered. If a second team is admitted by the OGA, the Team Captain will consult with the other selected 7 members to determine the rosters for Team #1 and Team #2. If a second team is not admitted by the OGA, funds budgeted for second team entry will revert to the Club Treasury.

- **Eligibility for Consideration:** By **August 31st** a member must have posted at least 10 rounds during the season, 5 of which must be Club rounds, with at least 1 being from a Club tournament. Rounds from OGA, USGA or other local major tournaments (e.g. City Championship, NPOC, ROIT etc.) may be counted in lieu of a Club tournament. Members should inform the Board about having played in such tournaments.
- **Factors Considered:** The Selection Committee will comprehensively review members' handicap index, tournament index, home index, away index, scores based on tees played and club participation

2023 OGA Events: using the same criteria above, members qualifying in 2022 Club events will have their paid entry rolled over for the 2023 season. Events included are the *Tournament of Champions*, *Senior Amateur Championship*, *Super-Senior Championship* and *Public Links Championship*.

Appendix IV – Games & Scoring Formats

Stroke-Play

Each golfer plays their own ball for the entire hole, typically with gross and net scoring. All regular Saturday Weekly Games, the Wednesday Open, Club Championship and other individual tournaments use this format.

Nassau

Play follows the same format as an individual stroke-play, but with three separately scored games over the course of the round: Front-9 score, Back-9 score, 18-hole total score. Gross and net scoring are typically used and prizes are awarded to winners in each game, by flight. All regular Wednesday Weekly Games use this format.

Match-Play

Unlike in stroke-play where the lowest total round score wins, golfers try to win more individual holes than their opponent. The player or team with the most holes won over the round, wins the match. Format can be played using gross or net scoring (usually with reduced handicap allowances). In Ryder Cup styled events, holes or matches are assigned a predetermined point value which when won, will be added to a team's event/season total.

Stableford Points

Play follows the same format as a stroke-play, but in this individual/team game the object is for golfers to earn as many points during their round as possible. Points can be awarded for both gross and/or net scores, depending on the rules of the event, as follows: **Bogey** – 1 | **Par** – 2 | **Birdie** – 4 | **Eagle** – 7 | **Double-Eagle** – 10

Chicago Quota

Each golfer begins play with a quota based on their course handicap. The object is for golfers to earn points to try to best meet or exceed their quota. The course quota for both courses will be set to 36. For example, a golfer with a 3 course handicap would start with a quota of 33, while a 12 course handicap would start with a quota of 24. Points are awarded for gross scores as follows: **Bogey** – 1 | **Par** – 2 | **Birdie** – 4 | **Eagle** – 7 | **Double-Eagle** – 10

Team Scramble

All golfers on the team hit a tee shot. The team chooses the best of their tee shots and each golfer plays their next shot from that location. This procedure is followed until the team's ball is holed out. Game can be played with variable gross and/or net team scoring using various handicap allowance percentages, depending on team size.

Team Best-Ball

Each golfer plays their own ball for the entire hole. The best score(s) is/are taken on each hole to serve as the team score. Game can be played in teams of two or four with various numbers of gross and/or net scores used per hole. Golfers receive a course handicap allowance, based on team size, with player's net pops allotted as they fall.

Team Shamble

Play follows the same procedure as a scramble from the tee. Following their second shot, all golfers play their own ball for the remainder of the hole. Team scoring is the same as in a best-ball format. Golfers receive a course handicap allowance, depending on team size, with player's net pops allotted as they fall.

Skins (Payball)

In this optional side-game, whenever any golfer/team has the single lowest score on a hole, they win a skin. Golfers pay an additional entry fee to join the game, with all entries funding the prize pot. Skin values depend on how many skins hold up upon completion of play. Game can be played during both individual and team competition. Skins could be within flights or over the field, and could be gross or net, depending on the event.

Benefits of an OGA Membership

When you join an OGA Member Club, you get far more than just a USGA Handicap Index. You can feel proud knowing that you have joined an alliance committed to safeguarding the integrity of the game, promoting fair play, preserving the game's traditions and enhancing the playing environment for golfers.

In addition to an official Handicap Index® (via the World Handicap System), golfers who are members of OGA Member Clubs will receive numerous valuable benefits including!

- **Tournament Eligibility:** OGA members are eligible to participate in a variety of different playing opportunities, including OGA Championships and OGA Tour events.
- **PNGA Membership:** When you join the OGA, you automatically become a member of the Pacific Northwest Golf Association at no additional cost. The PNGA presents special offers (via email) for members to play fantastic golf courses in Oregon and along the West Coast.
- **Golf Savings:** Members-only email offers are sent throughout the year with flash deals to great courses. OGA Members save every time they play at a trio of championship-level courses: Chambers Bay, OGA GC and The Home Course. Additionally, members can receive more than \$2,000 in golf savings through the Passport program.
- **Employee Store Access:** periodic access to the Adidas, Columbia and Nike Company Stores.
- **Games & Giveaways:** Prizes are given during the annual Member Madness and Member November promotional periods. Monthly \$500 Bandon Dunes Gift Card giveaways occur during May through August. The only eligibility requirement to enter is that you are an OGA Member.
- **Bonus Magazine Subscriptions:** OGA members with up-to-date mailing information in their WHS profile will receive subscriptions to Golf Digest and Pacific Northwest Golfer magazines.

In addition, your membership now includes donations made in your name to Oregon Junior Golf Fund, Inc. and the Evans Caddie Scholarship Fund. Don't forget, you're joining an organization with a core mission to enhancing the game on all levels for all golfers. Here are some of the other services your membership helps fund:

- Handicap and Rules Seminars
- Rating & Measuring Golf Courses
- Supporting turfgrass research
- Conducting state championships

When you support the game of golf in the region, the value is priceless.
Our annual fee of only \$35 is incorporated into the dues you pay an OGA Member Club.

OGA members can request a rebate of \$20 at the end of the season if they are members of multiple Clubs.
