

"Delivering Iconic Service"

Please find the included services from Down to Earth Landscaping.

The Country Club and The Retreat at ChampionsGate

- Mowing of all turf areas weekly in the months of April through September and bi-weekly October through March
- Edging of all sidewalks, curbs, pathways and other paved surfaces
- trimming around obstacles within finished turf areas by use of chemical, trimmer or other mechanical means
- Detailing of planted areas over the entire property will be performed every week in a sectional method
- Fertilization of the turf areas four (4) times per year
- Trimming, pruning, and shaping of all shrubbery, ornamentals, groundcover, removal of tree suckers and removal of unwanted vegetation.
- All plant beds will be kept reasonably free of weeds and excess growth
- Trees in pedestrian walkways will have a clearance maintained up to eight feet
- Palm trees trimmed of excess fronds and cleaned every three months
- Turf, shrubs, ornamentals and groundcover will be monitored for pests, disease and nutrient problems
- Insect and disease control of all turf areas
- Removal of all landscape debris during mowing and landscaping
- Operation of the irrigation system

If you should have any further questions, please do not hesitate to call.

Sincerely,

Amanda Rina
