CHAMPIONSGATE HOME SECURITY ALARM ACTIVATION INSTRUCTIONS

Visit our website @ www.swsprotection.com click the **contact** tab, then select **ChampionsGate**. Fill out the form completely and click submit.

Completing this form provides registration date and record with HOA and Southeast Wiring Solutions. All information provided to us is confidential. Activation of your new alarm system will only take up to 72 hours.

Southeast Wiring Solutions provides free in-home training and demonstration of your new alarm system. If your GE system is going off please press 1234 on the keypad to disarm your system. If you need to schedule a service call please visit our website and click the service call option at the contact page.

Welcome Home to ChampionsGate!
