Omni Interlocken Junior Golf Program

The Omni Interlocken Junior Golf Program is designed for the beginning and intermediate junior, ages 5 to 13, who want to learn the basics of the game. Juniors learn golf fundamentals in a fun and safe group environment overseen by Director of Instruction Dan Sniffin and Apprentice Instructor Angela King. Over the summer, expect your junior golfer to learn the basics of the full swing, short game and putting, as well as etiquette and sportsmanship. This season we will be following the curriculum created by U.S. Kids Golf, the industry leader in Junior Golf Equipment and Development. As part of this new program, each Junior will receive a booklet to track their skill development and hat pins to signify completion of various skills and tasks. Also new this year, we will make sure all on-course groups finish at the clubhouse to lessen the need for parents' assistance in shuttling kids around the course.

When: Wednesday mornings beginning June 13th running through August 8th with a one week break on July 4th... a total of 8 sessions.

Time:

8:00am:	Ages 11-13* - 1 hour in practice area + 1 hour on the course
9:00am:	Ages 8-10* - 1 hour in the practice area + 1 hour on the course
10:00am:	Ages 5-7 - 1 hour in the practice area

**NOTE: Depending on the number of players, we may adjust the times/groupings for the first two groups. The 3rd group will remain at 10:00am.*

Who can participate: The Omni Interlocken Junior Golf Program is open to any junior golfer. Omni Interlocken members have priority over non-members should the program fill up.

Cost: *Omni Members:* \$300 for ages 8-13, \$200 for ages 5-7
