

Dan Sniffin  **PGA**

Golf Digest

Best Instructors in Colorado 2015-2016

Dan's Philosophy:

- Dan understands that there are a variety of different ways help a player improve their golf game. His primary goals are to communicate to his students clearly and accurately to help them understand what is causing their frustration and to develop strategies to improve as quickly and as efficiently as possible. He understands that no two players swing alike, and works with each player to develop an effective golf swing based on their current swing, physical limitations, time constraints, and goals. He also has studied and presented on other aspects of the game including short game, putting, equipment, course strategy, golf psychology, and golf fitness.

Teaching:

- Dan has Taught over 15,000 lessons to players of all abilities, including PGA Members, Collegiate Players, USGA national qualifiers, and players with PGA Tour, European Tour, and Champions Tour experience.
- Trained and mentored over a dozen teaching professionals in the art and science of teaching and learning the game of golf.
- Four-time Colorado PGA Teacher of the Year Nominee
- Written articles for Momentum Magazine, Divot Magazine
- Denver Golf Expo - PGA Center Stage Presenter

Fitting Certifications:

- Dan has been certified by the following companies as an expert fitter and has conducted over 1,000 fittings :
