

Angela K. King

Angela's Philosophy:

Angela believes that patience and dedication to her students are key attributes of any great instructor. She utilizes many tools including video analysis to help her players understand what they need to do to accomplish their playing goals. She is comfortable teaching players of any ability, whether they play competitively, for business, or for leisure. Understanding that every player has unique abilities and goals, and customizes each player's instruction to fit their individual style.
