

Iron Horse Golf Club

Job Description: Assistant Superintendent

Close Date: Open Until Filled

Iron Horse Golf Club is an 18 hole course located in Ashland, Nebraska between Omaha and Lincoln. Iron Horse Golf Club is a unique golf club built around a rock quarry that provides fantastic views and exceptional beauty. The blue/rye fairways and tees at Iron Horse Golf Club are sand capped and the bentgrass putting greens are 100% sand (California build). The irrigation is a Hunter system that we have been upgrading to Rainbird 900 rotors with ins and outs around greens. Iron Horse Golf Club is continually purchasing new equipment to keep from having an aging fleet. Every year Iron Horse Golf Club selects areas to remove broken asphalt cart paths and replace them with concrete. The club is committed to providing the best playing conditions and experience to its guest and outings.

Requirements:

The Assistant Superintendent will be involved in and will assist the Superintendent in all aspects of golf course management.
