

Irrigation Technician

Shadow Ridge Country Club is seeking an *Irrigation Technician*.

Shadow Ridge is seeking an irrigation specialist to work exclusively on managing, maintaining, and repairing the golf course and Club irrigation system. The candidate must be an honest, hardworking, dependable, and detail-oriented individual who takes pride in their work.

This position is responsible for repairing and maintaining all facets of the golf course irrigation system, including:

- Repairing pipe breaks (PVC and Poly) and replacing irrigation pipe.
- Repairing and replacing heads and valves.
- Raising and leveling heads.
- Backfilling, cleaning and replacing the surrounding turf with care and precision.
- Troubleshooting sprinklers, valves and irrigation clocks.
- Installation of new irrigation systems and components.
- Review and update zones to ensure best possible irrigation coverage.
- Prepare and maintain records of time and materials utilized.

Preferred Experience:

- Working knowledge of basic electricity and hydraulics related to an irrigation system, including automatic valves and controllers.
- Familiarity with Toro and Rainbird irrigation systems and equipment.
- Specialized training or education on golf course / sports complex irrigation systems.

Compensation and Benefits:

- Full-time, year-round position
- Very competitive hourly compensation package commensurate with experience and qualifications (Starting in low \$20 range)
- Paid time off and holiday pay
- Medical, dental and vision benefits
- 401K matching
