## Plattsmouth, Nebraska

### Golf Course Superintendent

Full-time

---

By Lake Ridge Golf Course [www.golflakeridge.com](http://www.golflakeridge.com)  
Plattsmouth, Nebraska

#### **About the course:**

Lake Ridge Golf Course offers breath-taking views of natural prairie grass roughs lining rolling green fairways, beautiful lakes, and championship greens. Just minutes south of Omaha located on the south side of beautiful Beaver Lake and opened to the public in the fall of 1999, Lake Ridge Golf Course is a 9-hole Par 36, 2,861-yard golf course.

#### **Summary**

The Golf Course Superintendent will be responsible for overseeing all aspects of the maintenance, operation, and management of the golf course. This individual will lead a team to maintain a high standard of course playability and presentation. Ideal candidates have flexible schedules with availability to work weekends and holidays, as needed.

#### **Responsibilities**

- Maintains all grounds including the golf course, clubhouse surrounds and other maintainable property ensuring that the golf course is providing healthy and high-quality playing conditions for guests of the property
- Supervises all planting, fertilizing and chemical applications, and other care of turf, plants, shrubs and trees on the golf course and clubhouse surrounds
- Hires, supervises, and develops Assistant Superintendent and other employees in the maintenance department
- Coordinates scheduling of all personnel assigned to the department
- Communicates frequently with management to discuss activities, goals, plans and member/customer feedback
- Prepares, manages, and collaborates with management to create a budget for maintenance and operations, ensuring costs are controlled while maintaining quality.
- Maintains inventory and oversees all repairs and scheduled maintenance of all golf course maintenance equipment
- Implements and enforces comprehensive safety program for employees of the maintenance department
- Maintains maintenance and operation of drainage, irrigation, and other mechanical watering systems
- Develops chemical and fertilizing plan on an annual basis
- Prepares and maintains all recordkeeping for maintenance department (i.e. inventory files, fertilization, and chemical application logs)

- Conduct regular course inspections and address any issues related to turf health, equipment, and course infrastructure.
- Coordinate with external vendors, contractors, and suppliers for equipment, chemicals, and other resources.
- Perform other duties as assigned

## **Educational Requirements**
