

Spray Tech at Wilderness Ridge Lincoln, Ne

Educational Requirements:

2 or 4-year turf-related degree preferred.

Experience Requirements:

Must have 2-4 years of experience working on a golf course.

Special Requirements:

Wilderness Ridge is looking for a full time, year-round Spray Tech with a positive attitude and strong work ethic. Someone who is motivated and focused on building a strong skill set to further their career in the turf management industry. The Spray Tech will be relied upon to, assist in all chemical and fertilizer applications, help manage and maintain one of the largest irrigation systems in the state of Nebraska, course set up for tournament and weekend play, hand watering that coincides with championship playing conditions and assist with all in-house projects. The applicant must have or be able to obtain a Nebraska Pesticide Applicators License within 30 days of employment.

Other Comments:

This is an entry level management position with an emphasis on growth and development in the golf course industry. The individual will work closely with the Director of Grounds and Superintendent to help meet the expectations of the membership and the public. This position will provide the right individual with the fundamental tools and understanding required to be a First Assistant. The Spray Tech will have the opportunity to experience all aspects of golf course maintenance and management practices.

Date Available:

Immediately

Closing Date:

April 30th, 2018

Application Instructions:

Please email resume and cover letter to Gabe Aguirre-Superintendent at gaguirre@wildernessridgegolf.com

Salary Range/Benefits:

Commensurate with experience. Health, Dental, Vision, 401K, Uniforms, and Golf Privileges.
