

Wolf Creek

## Golf Course Superintendent

Wolf Creek Golf Club

18695 S. Lackman Rd. Olathe, KS 66062

Wolf Creek is an exclusive, private 18-hole golf club that is seeking a Golf Course Superintendent. The Golf Course Superintendent will work closely with the Director of Agronomy and will be given much latitude to make our course awesome! Passion, Attitude, Work Ethic, Communication and Time Management are key attributes we are looking for.

The club is regionally recognized as a “players club” and is proud of its many accomplished amateur golfers and five current members of the PGA Tour/Champions Tour. We are a true golf club – there is no pool or tennis courts at Wolf Creek. Our focus is on providing our members the absolute best conditions in an atmosphere that keeps them engaged. An “outside-the-box” thinker will excel here – there are no tee times so we must be ready for anything at any time.

### Educational Requirements:

2 or 4-year degree in Agronomy, Horticulture, Turf Management, or related field preferred but not required

### Experience Requirements:

5-7 years of golf course experience is preferred, but the right person with a **great attitude, knowledge,** and a **desire to excel** and **have fun** will be considered. A knowledge of the game of golf is essential, but a scratch handicap is not required.

### Special Requirements:

- **Great Attitude** and **Passion** for the job.
- A willingness to have fun and learn from mistakes.
- Time conscious.
- Knowledge of the game of golf.
- An intimate understanding of the expectations of a private golf club.
- An eye for detail with a sense of urgency.
- Spanish speaking is a plus, but not mandatory. An understanding of the Hispanic culture is helpful.
- An ability and willingness to engage in conversation with members.

**Salary:** \$60-70,000 annually

Benefits: Vacation, health/dental insurance, 401k, meals, golf privileges, education, dues for HAGCSA and GCSAA, expenses to GIS, uniform allowance. Moving expenses can be negotiated.

Date Available: Immediately; Open until filled

Responsibilities include:

- Staff management including training, supervising, and daily job assignments
- Moisture management
- Collaboration with Assistant Superintendents on course priorities
- Assist with the design and implementation of the agronomic program to meet conditioning requirements

Playing surfaces consist of:

- A4 Bentgrass greens/approaches
- 'Meyer' zoysiagrass tees/fairways
- Kentucky Bluegrass/Turf Type Fescue roughs

Budget: competitive with high end clubs in our market

Current projects: construction of brand-new cabin(s), complete clubhouse renovations

Upcoming projects: multiple course renovations including range upgrades, short game practice renovation, practice putting green construction and creek bank repairs/renovations.

We have a fun and engaging crew in place that will keep you on your toes. Please feel free to call or email with any questions that you may have. Résumé via email is preferred.

Bill Irving, Director of Agronomy
