

North York Winter Tennis Club LADIES TEAM TRYOUT

LEVEL OF PLAY GUIDE 2018/19

Effective, 2016/17, the tryouts have some rules in place to serve as a guide in assisting you in terms of the tryout session(s) you attend. These guidelines were implemented as a result of a survey conducted in 2015/16 and have proven to make the tryouts more of a level playing field and of a more competitive nature.

Please review.....

IF there are new players – that is, they have not played for NYTA before, they will be evaluated based on previous history and/or by the Club Pro.

NOTES about trying out for more than one team:

- (i) IF you try out for a team higher than C
And you make the team,
You cannot change your mind and try out for a lower level
(eg. IF you made the A2 team, you cannot try out for B or C)

- (ii) IF you try out for a team (based on your appropriate level as shown above)
And you do not make the team,
You CAN try out for a level lower than you originally tried out
(eg. IF you tried out for A2 and didn't make it, you can try out for B)
