

APRIL 2024 NEWSLETTER

Get your Winter games in by April 12th.

Another long winter season will be over soon. The last winter day at all three locations will be Friday April 12th. Play stops at 11 p.m. at the East, midnight at the North and South. We were incredibly lucky to have very few shutdowns this winter due to severe weather. We hope you have had a great season and are looking forward to the next season.

Membership must be renewed online. If anyone has issues renewing online or has any other issues or wants to renew in person you can contact Kunj or visit him at North Bubble Monday to Friday from 11 am to 2 pm and he will help you out. Contact Kunj at kunj@nywintertennisclub.com or 416-496-0225.

Please note we have over 1000 names waiting to join. If you do not renew by June 1st, you may not get in for next winter. Do not delay.

PCT APPLICATIONS now available. [Click Here](#) Member Login: You will need your username and password then click **PCT Application**.

PCT Application forms can be found online on the website. Applications must be emailed to pct@nywintertennisclub.com. One PCT Application form per group only please. Applications must be received by June 1st.

Everyone in your group must be renewed by June 1st to have your application entered into the PCT draw for next season.

There will be no 2-hour singles bookings, casual courts or PCT, Monday to Friday at 6pm, 7pm, 8pm.

Members who can book daytime PCT are encouraged to do so. Your consideration of these daytime hours will help free up court time during prime-time hours for the benefit of all members unable to book non-prime hours. It is also a terrific way to save a few dollars.

Something to consider PCT Savings: Members who can play on weekdays instead of evenings should consider this as a terrific way to save. EXAMPLE: The cost of a 2-hour booking from 7- 9 pm on a weekday evening for 25 weeks is \$1200 plus HST whereas a 1-3 pm booking on the same day for the same 25 weeks would only be \$1050 plus HST for total savings of \$150 plus HST.

No PCT Premium for any PCT Monday to Friday 7am or 8am or any evening at 11pm

Remember that any Permanent Court Time booked as a singles court will only be allowed to be played as singles. If you wish to play doubles two guest fees will be charged to the names on the PCT booking, whether the players are members or not. Once the PCT court is booked as singles it will not be changed to doubles.

Summer Courts

The North bubble will remain open all year. Members who are active in the system will be able to:

1. Place lottery requests (8-14 days in advance)
2. Book casually online. (7days in advance)
3. Inactive and non-members can book 5 days in advance.
4. The cost is \$15 including HST to be paid at the time of play.

On behalf of the Board of Directors, we thank everyone and wish you a great summer.
