**Format:** This years format will consist of a scramble score and an individual (Choker) net score on each hole which will be combined to make the team score. The player playing their own ball will rotate every hole. We will also have a team handicap based on a formula the USGA has approved. When you are done you will subtract your handicap from your total and this will be your net score.

There will be the option, for those who qualify, to play from the men's or women's forward tees (to qualify for forward tees your handicap and age combined must be 80+). Please indicate if any of your players will be playing from the forward tees in the space given below. Men = White Tee, Women = Orange Tee

**Side Games Include:** TEAM SKINS, CHOKER HONEY POT, KP'S (team & individual)  
AND LONG DRIVES.
