## 2022 COUPLES CHAPMAN

Brought to you by PACIFIC GRACE TAX & ACCOUNTING

## COUPLES CHAPMAN

For those of you who have never had the pleasure of playing in a chapman type format, you may be missing something. Over the last weekend in August, plenty of fun was had by spouses, significant others, friends and even newly acquainted partners. They spent two days always having ...

to hit from where their partners left them. Sometimes that was in the middle of the fairway, which honestly they may not be accustomed to. Sometimes they were hitting from the trees, and sometimes they weren't hitting at all because their partners holed out! This happened a few times during the competition but none more memorable than Mike Prewitt's partner \*\*\* Cat Felker \*\*\* who left him in the hole on #7 on the first shot during Sunday's round! CONGRATULATIONS FOR A HOLE IN ONE!

## President's Comments

Let me start by personally thanking Anna Anderson for stepping up to fill the vacated Trustee position. Anna will be a tremendous addition to the Board! Speaking of the Board, shareholders, you will receive ballots for next year's Trustees in October's statement. If any of you are interested in being an active Trustee, please contact me ASAP!

Rumor has it that WGC will be forming a Men's Club! I think this worthwhile venture is long overdue. If any of you gentlemen out there are interested in helping out or putting in your two cents, the kick-off meeting will be this Thursday, 8 September, at 4 PM in the restaurant.

As I explained in last month's newsletter, there will be some growing pains with the new ball machine. For the most part, the dispenser is working fine. We are still making output adjustments, so please help us by selecting the appropriately sized bucket (when in doubt, choose small ... you can always go back for more). Also, I know some of our Casual Golfers were surprised to find that unlimited range balls are not included in their membership. Remember, the Casual Golfer program includes Club privileges (use of the restaurant and bar), but regarding golf privileges, the program is simply a "discount" on open play greens fees for one year (*with added benefit of a small bucket on the day of play, and 1-hour advanced tee times*). If you are unhappy with this arrangement, please talk to the Club Manager (or me) ... we will gladly entertain a conversion into a better golfing membership category.

Hit 'em straight or hit 'em often

9-hole ladies at the start of the season playing with the assistant pro

All levels of women golfers from all WGC membership categories and guests are welcome to join this informal group. We focus on providing a friendly & fun environment in which to learn and enjoy the game of golf, especially for those new to the game. Special thanks to our assistant pro for establishing the Challenge 36 at the start of this year. We look forward to continuing these newest traditions to help grow the game of golf at Whidbey Golf Club! We also plan to expand this effort to include exchanges with our surrounding 9-hole ladies clubs.

To close out the season, our group hosted a potluck happy hour with Island Jazz Collective performing at the home of Cindy & Pat Ford on Sunday, Sept 4.

See you on the course,

Linda Latham, WLGA 9-hole Coordinator

# Membership News

To All WGC Members,

Over the past 6 months the Membership Committee has been attempting to devise a Senior Golfer category to reward our elderly long-term members who, primarily due to health reasons, can no longer play as much golf as they once did, especially in the winter.

Bad news / Good news. Unfortunately, the committee and Board could not pin down the details of such a category, and therefore did not reach a consensus. However, the Board has approved a ByLaw change proposal which will set the stage for increasing the number and types of shareholder memberships .... for example a Senior Shareholder category. Shareholders will receive the ByLaw proposal in their October statement, and if the proposal passes, I expect action will be taken prior to 2023.

Sincerely with Fingers Crossed,  
John Geragotelis (Acting Membership Chair)

### GREENS AERIFICATION

Greens Aerification is September 6-8 this year. The course and the pro shop will be closed Tuesday through Thursday due to Aerification. The course will be back open for regular play on Friday, September 9th.

### FALL 5-BALL

October 15th      10:00 AM Shotgun

The most interesting tournament format is just around the corner. Each five-person team will be playing a 4 person scramble with the fifth person playing their own ball as the "choker." The choker rotates on each hole and the two scores will be added together. This is our last major tournament of the year, and we expect to go out with a bang. Be sure to put together a team and join us.
