

Message from President~ Craig Bohn

Happy New Year! Now that 2020 is behind us we can all look forward to 2021. As club President, I can speak for all the Board of Directors and share with you our excitement about the coming year. We all look for 2021 to be the best year ever for RCC and with your help we can get there.

I want to say thank you to everyone for the opportunity to serve as your President and hopefully things continue to improve throughout the club. We all share a common goal – that is making RCC the best private club in South Texas and coastal region.

That's off to everyone that has supported the club through some difficult times and through the years. We are on the right track and ready for a GREAT YEAR.

*Happy
New Year*

Message from the GM~ Rick DeLoach

Happy New Year everyone! I'm sure many of us share the same thoughts. Thank goodness 2020 is over. I'm ready for 2021 but have to say that 2020 has taught us many lessons that I believe will be beneficial for years to come.

Too many to list but did you know, in 2020 we had 96 new members join the club? We would like to welcome each and every one of you to the club. Our total club membership stands at 544 as of the first of January and we look to continue to grow it throughout 2021.

Because of you and your support this year RCC had a profitable Food and Beverage operation. While we continue to strive to get better and because of you, Chef Gordon and his team in the kitchen, Beverly and her focus on delivering to you the weekly specials and reservations, TO GO orders and the wait staff delivering the goods we made it all work in 2020.

Because of Covid 19, RCC golf operations had the best year since 2014 on total rounds of golf. In 2020 we had 21,683 total rounds of golf. With the "lock downs" in place we were fortunate that we were able to stay open and continue to offer an outdoor experience. Now that some of you have re-committed to the game we look forward to seeing you play more in 2021.

2020 was not all negative. Enough with the rear view mirror we are now focused on making 2021 a banner year. I can't say thank you enough for your continued support of the management staff and operational team. We are here for you and strive to provide you with a great experience.

Thank you

Golf Operations~ Thane Emerson

The Golf Committee and Board of Directors have approved the following major golf events for the upcoming year. So be sure to mark your calendar for your favorite events and plan to participate. We are hoping that we are seeing the beginning of the end to the Covid pandemic that caused many events to move from Spring to Fall last year. While at this time we do not anticipate changes to this schedule it may be necessary to do so based on the current situation at the time. Thank You for your support of the Golf Activities here at RCC!

Course Update~ Derick Hashimoto

I hope everybody had a Merry Christmas and a happy new year. The golf course maintenance team have been out trimming trees, any thing we trim that is firewood size we have been putting out but the gate for you to come and get. We have also been working on collar dams to help with are greens surface drainage. This month we will also began working on the waste bunker on hole 2 to smooth out the edges and get it back to its original shape.

We will also continue to work on these high focus areas:

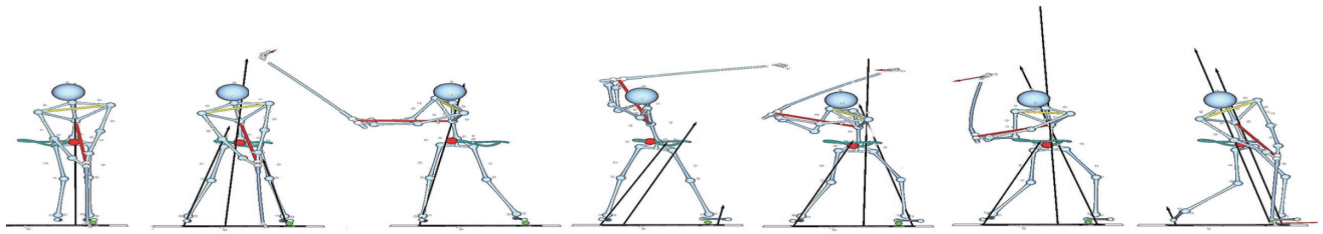

- Removal of the St. Augustine grass from the playing areas. This will be a slow process before it is all gone but we are working towards that goal.
- We will continue to manage traffic control ropes in the playing area to assist with the grow in

Finally, we need your help in assisting us with cart traffic. With the single cart use program, we are seeing more areas on the course showing signs of the additional cart traffic. PLEASE avoid weak areas and PLEASE observe all cart rules throughout the course.
