**ROCKPORT COUNTRY CLUB MEMBERS' ASSOCIATION**  
**RULES AND REGULATIONS**  
**(Adopted October 2, 2018)**

By authority vested in Article XII, Section 12.01 of the Club's By-Laws, the following rules and regulations have been approved by the Board of Directors, are established and are effective October 2, 2018 until further notice. These rules supersede and revoke all club rules and regulations previously in force. Any issues not covered in these Rules & Regulations are subject to interpretation by the Board of Directors and their decision shall be final.

The Rules and Regulations represent a pragmatic statement of how the Club operates from day to day and, at the same time, an expression of who we are as a private club and what we want to be, keeping in mind the imperative that we are an ongoing business that must adopt to change in order to prosper and thrive in an ever changing environment.

**1. Advertising on Club Property:** Advertising of any private, political, charitable or otherwise non-club event is against Club policy and not condoned. This includes posters, flyers and any other printed material. Exceptions to this are events that might affect the club members and can be put on the monthly newsletter calendar for member convenience only.

**2. Alcohol.** Alcoholic beverages will not be served or sold to minors, nor permitted to be consumed on the club premises during the hours prohibited by law. Persons who are unable to verify their age may also be denied service.

No alcoholic beverages purchased off club premises may be brought onto the club premises. No alcoholic beverages purchased from the club may be taken off the premises, except that wine purchased by the bottle can be re-corked and taken off premises. Members are reminded that they are responsible for and should comply with state laws relating to open bottles and containers. Alcoholic beverages of any kind may be barred from certain areas of the clubhouse or grounds at the discretion of the Board of Directors or General Manager.

All instances of intoxication on the club premises or grounds will be reported to the General Manager for appropriate action. It is important that each member fully appreciate the potential liability that could be placed on the club's staff and management, as well as the club itself, for serving intoxicated or apparently intoxicated members or guests.

It is the club's policy that all employees be trained to detect evidence of intoxication in members or guests and to refrain from serving intoxicated persons. Club employees may, at their discretion, refuse to serve alcoholic beverages to any person who appears to be intoxicated.

Members shall not reprimand or abuse staff after they have exercised their judgment to stop a member from further consuming alcohol. Should the member be unwilling to accept the judgment of the staff member, the General Manager or the senior staff member on duty shall intervene and their decisions will be final. State and local laws shall govern the service of alcoholic beverages at all times.

Members should not attempt to leave the club and operate a motor vehicle in an intoxicated condition. No assistance will be offered any member or guest to enable them to operate a motor vehicle if in an apparently intoxicated condition. Club employees are instructed to assist members and guests in finding a driver or a taxi or other ride service as an alternative to operating a motor vehicle while intoxicated.

3. **Amendments.** Any rules and regulations may be amended or repealed by the Board of Directors at their discretion. Members will be notified of any changes via the club's newsletter or other appropriate forms of communication.

4. **Animals.** Domesticated animals may be allowed only on a leash in a golf cart, on the cart paths and the driving range. Exceptions will be issued for registered service animals that accompany members or guests. They are not allowed on the golf course or in the clubhouse. Motor vehicles containing animals are not allowed to remain on the club premises.

5. **Attire.** The club is located in a community known for its casual, inviting, and outdoors atmosphere. It is the club's intent to reflect this atmosphere as most inviting to members and guests. Consistent with this intent, the following guidelines shall apply to attire. Proper attire is required at all times in the public areas of the clubhouse. Casual clothing for both day and evening wear is acceptable, including suitable golf and tennis attire, for both ladies and gentlemen. However, cutoffs, pants with patches or holes, bathing suits, halter tops, tank tops and other comparable clothing are not acceptable. Shoes or other appropriate footwear are required of all members and guests in all areas of the clubhouse. Appropriate hats/caps may be worn in the clubhouse, but must be facing forward at all times. Men may not wear hats/caps in the banquet room and during special club functions and private events, except when special circumstances make them appropriate. Further, men may not wear hats in the member dining area at dinner time. Children are required to conform to the same dress code as adults. Members are responsible for advising their guests of the appropriate attire while visiting the club and for any events. Members should not confront any other member or guest at the club and make any comments about possible attire non-compliance. Rather, they should discretely bring the matter to the attention of management on duty and allow management to address the situation.

6. **Automobiles.** Automobiles must be parked in the proper direction within designated parking areas on the club grounds. All "no parking" and handicap restrictions shall be observed. If a handicapped person is not present, the vehicle bearing a handicap designation should not be parked in spaces reserved for the handicapped.

Vehicles shall not be parked in the driveways at any time (except in designated parking areas) or at the entrances of the clubhouse unless an attendant is on duty. Posted speed limits, exit, stop and other signs shall be observed. The club is not responsible for damage or loss which occurs to vehicles or their contents while parked on club grounds.

7. **Behavior.** Anyone on club premises acting in a disorderly, disruptive or offensive manner will be asked to leave. Any type of harassment to staff or club members or guests will not be tolerated. Members who engage in any conduct prejudicial to the good order or welfare of the club or other members or guests or in violation of the club's rules, policies or by-laws may be subject to disciplinary action. Please refer to Rule #24 Discipline for potential sanctions that may be applied.

**8. Bidding and Purchasing Procedures.** The reputation of the club for its honesty, fairness and integrity is vital to its operational success. To meet its responsibilities to members, staff and the community, and to ensure the club receives the best possible products and services at a fair market price, it is the club's policy to require at least three proposals, where practical, in the procurement of all goods, services and contracts. Exceptions may be made in emergency circumstances or when, in the judgment of the Board of Directors, an exception is warranted. A final selection is generally based on factors such as cost, quality of products or services, ability to accommodate club schedules, and other factors. The Board of Directors shall have the final authority on all bidding and purchasing procedures, and may delegate this authority as it deems necessary and proper.

**9. Billing.** Statements are to be paid by the end of the month in which they are sent. If a member elects to receive his or her monthly statement via U.S. Mail or email, they may pay by check or electronic bill pay. Monthly statements may be paid in full by credit/debit card or automatic bank draft if the member agrees to receive their monthly statement by email and authorizes the club to automatically charge the full amount of the statement on the 10<sup>th</sup> day of the month. The club only accepts MasterCard, Visa, or Discover cards. All questions or disputes concerning dues and charges shall be addressed to the club business office. Finance charges and other consequences will be applied to member accounts that are delinquent as follows:

- 30 days delinquent: All accounts 30 days or more delinquent shall incur an 18% per annum finance charge on the unpaid balance until paid in full. Member may receive a verbal or email communication before receiving a letter regarding their delinquency.
- 60 days delinquent: Member will be advised by email, letter, or other communication that they may use the club on a cash only basis.
- 90 days delinquent: Any outstanding credit book will be applied to the member's outstanding balance. Member will be suspended from the club. Monthly dues will be suspended when the member's privileges are suspended.
- 150 days delinquent: Accounts not settled or resolved (or a payment plan acceptable to the club is put in place) will have a credit record claim recorded and the club may seek resolution in small claims court. Members agree that they will be responsible for all court, attorney, and other costs of collection.

Reinstatement of the member's privileges requires payment of all charges, finance charges, and collection costs, plus dues for the months while suspended.

Credit cards are not accepted as payment for monthly statements, except as provided for above..

The club will assess a \$30 processing and handling fee for any check returned to the club as "NSF" or dishonored for any reason.

**10. Board Meetings.** Board meetings are open to all voting members, except when the Board convenes in closed or executive session to consider confidential matters. Members may make presentations at Board meetings after they have asked to be placed on the agenda before the meeting. Oral presentations are generally limited to five minutes.

**11. Board and Committee Minutes.** The minutes of Board meetings will be posted on the bulletin board and the club's website. Board and Committee Minutes are maintained in the club's business offices and are available to club members for review.

**12. Business Offices.** The club's business offices are restricted to designated employees, members conducting club business, club officers, and Board members. **13. Cards/Games.** Playing of cards or other games is permitted only in rooms or areas set apart for such purposes or as approved by the Board of Directors or the General Manager. Only members and guests accompanied by a member are permitted to play cards and participate in games. The General Manager shall have the authority to discontinue any games which, in his/her opinion, may be objectionable, interfere with the proper use of the club by other members, interrupt its harmony or jeopardize its business licenses.

**14. Cellular Phones.** Out of respect for members and their guests, the use of cellular phones is discouraged in any public areas of the club. It is recommended that all cell phones be placed on vibrate and members return their calls in a suitable location within or outside the club.

**15. Charges and Chits.** Members must sign a chit for all services and goods using a legible signature and account number. Members often choose not to sign their chits. If they chose not to sign a chit, they are financially responsible for unsigned chits unless they can provide reasonable proof that they did not purchase the services or goods, or are not otherwise responsible for the purchase(s). A member who signs a chit with another member's name or number, or permits an unauthorized individual to sign his or her name or number, or signs for transactions after having been notified his or her privileges have been suspended, shall be subject to disciplinary action.

**16. Children.** The club is a family oriented facility and welcomes all members and their children to participate in club activities. For the safety of the children and others and to prevent property damage, children under 12 years of age must always be accompanied by an adult. Children under 12 years of age are allowed in the Fitness Center, locker rooms or swimming pool only if they are accompanied and directly supervised by a responsible family adult.

Members will be held responsible for the conduct of their children and their children's guests while they are on club property and for their adherence to all of the rules and regulations of the club. Any damage to club property or facilities by a member's child or a member's guest's child may result in the member being responsible for reimbursement to the club for the amount of damage and costs incurred. Members may be disciplined for their children's or a member's guest's child violations of club rules and regulations.

The member or staff person will not be allowed to be part of any discussions or negotiations between the club and the organization/firm under consideration.

**22. Controlled Substances.** Controlled substances (as defined by state and federal laws), other than those prescribed by a physician for medical reasons, are not permitted on club property. The sale, exchange or unlawful use of a controlled substance on club grounds is prohibited.

Persons found to be under the influence of a controlled substance while on the club premises, will be considered engaged in conduct detrimental to the best interests of the club and, where appropriate, the proper authorities may be notified. Additionally, the member may be subject to disciplinary action.

**23. Decorations.** Any member wishing to decorate a room or any part of the club, other than table centerpieces, must first obtain approval from the General Manager. The member is responsible for the prompt removal of all decorations after the function is over, at the member’s expense. Florists and decorators must clean up any waste before and after the activity. Nothing may be tacked, taped or nailed to the walls. Glitter, confetti, rice and bird seed are prohibited. Any damage that occurs will be charged to the member.

**24. Directory.** The membership directory may not be used by any member for commercial or charitable purposes, nor given to a non-member for any purpose. The directory is published solely for the social convenience of the members.

25. **Discipline.** The General Manager is required to notify the Board of any serious violation of the club rules. The Board reserves the right to discipline any member who violates club rules as defined in the club's By-Laws and Rules and Regulations. Discipline includes, but is not necessarily limited to, restitution, letter of censure, suspension or expulsion.

26. **Employees.** In the interest of orderly management procedure and discipline, members are not allowed to reprimand or issue orders to employees, but are requested to report any employee issues to the General Manager. Members are specifically requested to refrain from suggesting to employees items that may be pertinent to the improvement of club operations. All such suggestions or complaints should be made to the General Manager. Employees on duty are not permitted to leave the club premises on errands or for any other service for members. Members must not request special personal services from the employees of the club while they are on duty, unless approved by the General Manager.

It is club policy to refrain from employing members' immediate family.

Employees may not use club facilities, nor may employees be invited as a member's guest, without prior approval of the General Manager.

27. **Enforcement.** The management staff of the club are authorized to enforce these rules on behalf of the Board.

- **Extended Family** consists of children 23 years old or older, parents, grandparents, brothers, sisters, brothers-in-law, sisters-in-law, nieces, nephews and grandchildren of the member and his/her spouse or domestic partner.

Members may invite extended family members to dine with them on an unlimited basis.

Members of the immediate family are entitled to use of all RCC facilities as determined by the member's membership classification, i.e. associate member, regular member, etc.

Members of the extended family who reside within Aransas County may use the club facilities up to a maximum of twelve times per year. Members of the extended family who reside outside of

Aransas County may use each club facility up to a maximum of 24 times per year. (For extraordinary circumstances regarding family usage, contact the General Manager). The RCC member or a member of his/her immediate family should accompany any extended family member when using the club facilities, except by prior written permission by the club General Manager waiving their attendance with the guest.

There are associated fees for any extended family member to use the swimming pool, fitness center or tennis courts. There is a charge for playing golf, which is the family green fee, as posted in the Golf Shop. All fees and expenditures by the extended family member while using any club facility shall be paid for with cash or credit/debit card and if not paid for that way will be charged to the member's club account.

It is the member's responsibility to adhere to all club rules and regulations and applicable law and ensure their extended family members sign in at all club facility venues and do not use the club's facilities in excess of the allotted number of times. The club will also monitor extended family member usage.

Food and beverages may be served only in those areas of the club premises designated for this purpose and during specified hours.

**35. Fund-Raising.** It is contrary to club policy to sponsor functions or fund-raising efforts for the benefit of a political or charitable cause, except as specifically permitted by the Board. Any signage pertaining to the event must be approved by the General Manager before it is displayed.

**36. Golf Rules.** See Addendum D.

**37. Gratuities.** The club does not assess any automatic service charges on food and beverage purchases. Therefore, gratuities from members and guests are encouraged and expected as they represent an integral part of the compensation paid to employees who serve members and guests. Gratuities may be paid in cash, by credit/debit card, or added to the chit by the member or guest. If a member or guest fails to sign his or her food & beverage chit, a 16% gratuity (excluding sales tax) will be automatically added to the chit total. In addition, an automatic 18% gratuity (excluding tax) will be added to the chit or chits for all parties of eight (8) or more. If a cash gratuity is given, the

waiter will adjust the chit accordingly. Suggested gratuity amounts will appear at the bottom of each chit (16%, 18%, 20%).

**38. Group Functions.** The facilities of the club are intended primarily for the use, accommodation, and enjoyment of members and guests. None of the club's facilities shall at any time, in any manner, be made available to members of the general public or to any non-member group or organization without prior consent of the Board or unless otherwise provided for in these Rules and Regulations.

If a member wishes to host a group function that may include other members or non-members, the host member must enter into an agreement with the club that sets forth the club's policies and requirements with respect to such group functions.

In the event a member or the Board of Directors is willing to sponsor a non-member hosted group function, and the non-member host enters into the same type of agreement that a member is required to enter into with the club, such member or Board sponsored events may be held at the club subject to the following requirements: (i) the event may not be given any preferential financial terms compared to member sponsored group functions, (ii) the host and all guests must be subject to the same policies and Rules and Regulations applicable to all members and guests, and (iii) financial arrangements must be made in advance of the event such that the club will be assured of full compensation for the goods and services provided to the event. A copy of the Board approved Event Policies and Agreement may be obtained from the General Manager.

Club sponsored events will have first priority for utilization of Club facilities followed by member hosted events, and then non-member hosted events.

**39. Guest Club Usage.** Use of club facilities (golf course and driving range, dining facilities, swimming pool and fitness center, and tennis courts) by guests (individuals not in an RCC member's immediate or extended family) is limited to the following.

Guests who reside in Aransas County may use the club facilities up to twelve times per year. Guests who reside outside of Aransas County may use the club facilities up to a maximum of 12 times per year, not to exceed two (2) times per month. Daily use fees for guests using the club's various facilities shall be established by the Board of Directors and shall be posted in the Golf Shop and on the club Bulletin Board.

Guests of a member who visit the club to play cards, Mahjonn, etc. may use the club facilities for that purpose as approved by the club General Manager, but must pay a house use fee per visit as set by the Board of Directors. The house use fee or the cost of the lunch must be paid in cash or by credit/debit card.

Except as allowed by the club General Manager, a member shall not invite any individual as a guest who has resigned their club membership in the six (6) months prior to the invitation, or, who has

been suspended or expelled from the club unless such person has been reinstated or the person's record has been cleared thus making the person eligible for reinstatement.

The Board of Directors may, at its discretion, allow certain groups of individuals an exemption to any parts of this policy when it is deemed beneficial to the club.

It is the member's responsibility to adhere to these regulations and ensure their guests sign in at all facility venues in order for the hosting member's account to be charged the appropriate fee and to ensure their guests do not use the club's facilities in excess of the allotted number of times. The club will also monitor guest usage. Except for guests that visit the club to play cards, all guest fees incurred and all green fees, dining and other expenditures by a guest must be billed to the hosting member's club account unless the guest pays for all fees and other expenditures with cash or a credit/debit card or other payment arrangements have been approved by the General Manager before the fee or other expenditures were incurred.

**40. Holiday Fund.** Subject to annual review and approval of the Board of Directors, each member's November monthly statement will be charged an amount of money determined by the Board of Directors as a contribution to an Employee Holiday Fund, which will be distributed to all club employees except the General Manager. This non-deductible gift provides the membership an opportunity to show its appreciation for employee efforts. Should a member not wish to participate in this fund, he/she may contact the club office and have the contribution credited back on the following month's statement. The Employee Holiday Fund shall be distributed in its entirety to employees in the discretion of the Board of Directors. Any applicable employee and Club income taxes in connection with Christmas Fund distributions will be withheld from the employees' payments.

**41. Hours of Operation.** The club is generally open Tuesday through Sunday and normally closed on Monday. During the course of each year, the club may be opened or closed at different times and days depending on holidays and special events. Members, their family members and their guests hold the club and its directors, officers, employees, representatives and agents harmless from any and all loss, cost, claim, personal injury, property

damage or liability sustained or incurred by any of them resulting from any non-willful act or omission of any director, officer, employee, representative or agent of the club. The use of club facilities by the member or other person shall constitute an acknowledgment of that person's agreement to the foregoing indemnity, assumption of risk, and hold harmless release provisions.

**45. Infractions.** It is each member's responsibility to report infractions of the club's By-Laws, these Rules and Regulations and published club policies. Such reports are to be given to the General Manager.

**46. Liability Release and Waiver of Claims.** The club, its directors, officers, employees, representatives and agents are not liable for any injuries to persons or damage to or loss of property involving members, guests or other persons on the club premises. Each member agrees to indemnify, waive any claims, and hold the club, Board, officers and employees harmless from and against any and all claims made by the member, their guests or invitees occurring on the club premises for personal injury, damage to, or loss of property not proximately caused by the gross negligence, willful or wonton conduct of club employees. Charitable and other solicitation of the membership may only be made by specific Board authority. Such solicitation must be under the club's control and the mailing list should never be released to a non-member.

**50. Minimum Food and Beverage Charges.** Like most clubs, RCC requires all members to spend a monthly minimum on food and beverages. Any member who fails to incur the minimum charge for food and beverage consumption for their membership category will be assessed an amount equal to the difference between the amount incurred by the member and the applicable food and beverage minimum.

Food and Beverage minimum amounts and all matters related thereto shall be established by the Board of Directors from time to time in their discretion.

The minimum may be satisfied with any and all food and beverage purchases, excluding tax, gratuity, tournaments, and special event purchases (e.g., Member-Guest, MGA Annual Dinner, Birdie Kup, etc.).

Food and beverage purchases by family, extended family, and other guests will not count towards satisfying the monthly minimum unless they are charged to the member's account.

- C.** Ladies may wear collarless golf shirts or sleeveless golf shirts. Shorts must be of appropriate length. The following are not allowed: cut-off shorts, tennis shorts, gym shorts, jogging clothes, tank tops, and swimming attire. All caps must be worn properly with bill forward.
- D.** Shoes may have flat or soft spikes, and should be worn at all times on the golf course to protect golfers from slipping on wet or uneven terrain. Metal spikes are not allowed. Tennis and running shoes are allowed. Shoes must be worn. No bare feet or sandals are permitted, except for golf sandals.
- E.** Members should not confront any other member or guest at the club and make any comments about possible golf attire non-compliance. Rather, they should discretely bring the matter to the immediate attention of management on duty and allow management to address the situation.

### **2. Control of Play:**

- A.** The rules of the United States Golf Association shall govern all play except when modified by the local rules and ground rules.
- B.** All members that wish to play in club events must establish a USGA handicap through the Golf Shop.

### **3. Registration:**

- A.** Members and guests must register in the Golf Shop before playing or practicing.

### **4. Hours of Play:**

A. The golf course hours are 7:30 A.M. to dusk Tuesday through Sunday. The course is closed on Mondays. During the course of each year, the course may be opened or closed at different times and days depending on holidays, special events, or golf course maintenance.

5. **Guests:**

A. All guest fees are posted in the Golf Shop.

B. All guest fees include the fee for use of a golf cart. Guests may walk while playing golf but the cart fee will still be charged.

C. Clergy serving a church in Aransas County will be permitted to play golf with no green fee, but use of a golf cart is required and the regular cart fee will be charged.

D. A guest who is a tenant of a property that is within RCC and whose owner is a member of RCC in good standing and maintains an RCC membership for that property may apply for tenant guest privileges. Such guest will be charged the reciprocal green fee posted in the Golf Shop.

6. **Golf Carts – General:** In order to prevent injury to the course, as well as individuals, and to make the carts available to golfers on an equitable basis, it is necessary for cart drivers to follow the rules below:

A. All members and guests must sign for the use of carts – either club-owned carts or private carts – in the Golf Shop before starting play. Carts will be controlled by Golf Shop personnel.

B. Persons at least 16 years of age who hold a valid driver's license may rent and operate the club's golf carts. Persons under the age of 16 or those who do not have a valid driver's license may not operate a club-owned cart.

C. There will be no golf cart reservations and carts may not be rented more than one hour prior to use.

D. For the protection of the course as well as the riders, no more than two people shall be on a cart at any time and no more than two golf bags may be attached to the cart. Members are encouraged to “team” up on golf carts. It is recommended that no more than two golf carts per group when playing a foursome or fewer players.

E. Weather and other conditions may, at times, affect whether or not carts may be used and how they may be used on the golf course. The Golf Course Superintendent shall have full authority to determine whether or not golf carts may be used on the course and to determine the manner in which carts may be used.

F. **All carts must remain on cart paths around all tees and greens.** Carts must not be driven on any tee, through or very close to any sand trap or water hazard or within 50 feet of any green. The only exception to this is if the golf cart is on a paved cart path. White lines

may be put down or rope may be strung to mark areas where carts are prohibited. Carts must stay on the cart path on all par three holes and on all other holes when so designated. On all holes the Golf Course Superintendent will place a sign in the fairway, short of the green, to indicate that no golf carts are allowed past that point. The 90 degree rule should be followed as much as possible when carts are allowed off the cart paths.

**G.** Operators of golf carts should avoid following the same path from tee to green unless on a paved cart path. Spreading out carts when driving off the paved paths minimizes concentrated wear.

**H.** Golf cart rates are available in the Golf Shop.

**I.** All individuals who operate a club-owned cart are responsible for any damage to the cart or the golf course.

**J.** Violation of any of these rules may result in temporary or permanent loss of cart-usage privileges.

**7. Golf Carts – Private:**

**A.** All private carts must pass inspection by the Golf Professional and be registered with the club before they can be used on the golf course. Inspection is required every year. A sticker will be issued when a private cart has passed inspection, and an annual inspection fee will be assessed and not be pro-rated. To pass inspection, carts must have good tires; good body and paint condition and be free of any mechanical defects.

**B.** All carts must be electric and have four turf friendly tires. No gasoline-powered carts are allowed. Carts may be any color. The Board of Directors will determine the number of private golf carts and all private cart owners must be Resident Members.

**C.** Registered private cart owners may not loan their carts to other private cart owners. If a private cart owner lends his cart to a member who does not own a private cart, the user will be charged the club-owned cart fee for all use of the privately owned cart.

**D.** Private cart ownership includes the member and his/her spouse or domestic partner only, and any of their children less than 23 years of age and living at home.

**E.** Registered private cart owners are expected to use their private cart when they play golf. Excessive use of club owned carts by a private cart owner will result in a loss of private cart privileges.

**F.** If a registered private cart is non-operational for any reason and cannot be used by the private cart owner, the private cart owner must pay the prescribed fee for a club owned cart so long as the private cart is non-operational.

**G.** Registered private cart owners must pay the prescribed fee each time a cart is used.

- H.** Non-cart owners must pay the club-owned cart fee when riding with a registered private cart owner.

- N.** Violation of any of the rules may result in temporary or permanent loss of cart usage privileges.

## **8. Golf Carts – Handicapped**

- A.** Handicap flags will be issued only by the Head Golf Professional. To obtain a medical flag members must complete the required documentation provided by the golf shop staff and pay the handicap flag fee in effect from time to time. This flag entitles its user to a few privileges not available to other individuals while operating a golf cart.
- B.** Approved medical flags must be displayed on the cart at all times as required by these rules.
- C.** Disabilities that are not permanent must be re-certified on a semi-annual basis. A copy of the certification will be placed in the member's file.
- D.** Use of a handicap flag entitles the member to drive their cart, with caution, into some areas normally prohibited from cart use. However, at no time may the cart be driven within 10 yards of any green, tee box, or through or very close to any sand trap or water hazard unless the cart is on a paved cart path. Carts must remain on the cart path at all times on holes #3, #7 and #12, and any other areas where directed by the Golf Course Superintendent, the Assistant, or the Head Golf Professional when the Superintendent or his Assistant are unavailable. . . On all other holes the 90 degree rule should be followed as much as possible when carts are allowed off the cart paths.
- E.** Weather conditions may affect whether or not carts may be used and how they may be used on the golf course. The Golf Course Superintendent, the Assistant, or the Head Golf Professional when the Superintendent or his Assistant are unavailable shall have full authority to determine whether or not golf carts may be used on the course and to modify or suspend handicap golf cart privileges. There shall be no handicap flag golf cart privileges on days that have been declared as cart path only or walking only.

**F.** Violation of any of these rules may result in temporary or permanent loss of handicap cart use privileges. Continued disregard of these rules may result in a suspension of golf privileges as so directed by the Board of Directors.

**G.** It is expected that all golf carts shall be operated in a safe and courteous manner. While 10 yards is the rule stated above, it is a minimum, and drivers are expected to use good judgement on where and where not to drive golf carts according to the nature of the game and general conditions of the course.

**B.** Players may not cut in on any hole.

**C.** Players should fill in all divots with sand provided on the golf carts and other locations on the course, rake footprints in sand traps, repair all marks on greens and observe all local rules.

**D.** If a group, regardless of the number of players, falls one entire hole behind for any reason, the slower group must invite the players behind to play through. The group must play through if failure to do so will delay following players. If the slow group is delaying play and an invitation is not extended to the following players, they should request to play through, and be allowed to do so.

**E.** No player should play from the tee until the players in front are out of range or play up to a green until the match in front has holed out and moved away.

**F.** In the interest of all, players should play without delay. Practice putting after play of a hole when other players are waiting is not permitted.
