

## Message from the President—Charles Marsh

As your new Club president I would like to take this opportunity to acknowledge and say thanks to our previous president, Craig Bohn and the two board members, Red Hunt and Bruce Hood, whose terms were recently completed. Red and Bruce provided needed leadership thru floods, freezes, and Covid, keeping their committees and staff focused on always improving the Club. Thru it all, Craig provided the steady hand that kept the entire board and staff working toward the same goals. The increased cost of almost everything will have a significant effect on Club operations. The increase in membership has allowed the Club to absorbed much of cost increases within existing revenue streams. I would like to ask each of you to continue to promote membership in our Club. Increase membership thru dues payment and initiation fees allows the funding of our Club improvement efforts. During 2021 the Club paid almost \$5,000 to our members in our referral program . To our winter Texans getting ready to return home, I say, be safe, have a great summer, and hurry back to enjoy our great Club.

### Golf Course Superintendent Mack Williams

April is a busy month for golf course maintenance. The greens overall have been doing well. We have had some disease pop up and have been making applications for control. We are starting to make our first application of nematode control on greens, fairways and tees. At the end of the month we will aerify the greens and top dressing for the first time this season. We are also working on drainage for several of the bunkers this month. Irrigation has been a bit of an issue this spring with clogged up heads. The Team has put in a lot of man hours making sure all the heads are working properly. We are putting on a second application of pre-emergent and post emergent weed control. Also spraying by hand on bunker faces and lake edges to insure a uniform application to control sandburs and goose grass. We are applying fertilizers to insure a nice green course to play on.
