Message from President~ Craig Bohn

I take this opportunity to say thank you to Elyce Kahn and the nominating committee for all of their hard work putting together a group of members that will serve as future Board of Directors at RCC. Her committee consisted of Bruce Hood, Janice Mixon, Jackie Brannon and Sterling Frank. Together they have selected: Charles Marsh, Barbara Smyth, Don Dye, Jeanne Arnold and Mary Lynn Rhodes as the candidates for the 2021 selections. Each of the candidates have been great members of the club and I'm sure that the three you select will be great board members and continue our efforts moving RCC into the future.

As mentioned in an earlier email blast the Board has decided to hold a closed Annual Meeting. Considering all of the Covid 19 factors we believe that it is the right thing to do for the safety of all concerned. Immediately following the meeting we will communicate the newly elected board members and will make available to any club member the annual financial audit and the meeting minutes. As always, thank you for all you do as club members and your continued support.

Message from the GM~ Rick DeLoach

2021 is off and running. Hopefully you had the opportunity to see the new Kubota Tractor and Utility carts parked by the putting green a couple of weekends ago. Again, thank you for helping with the purchase of this equipment as we were able to apply \$5050.00 as a down payment on the tractor from the golf event we had in December.

We have almost completed the renovation of the practice bunkers at the driving range and have completed the task of lowering collars around selected greens to provide for better surface drainage. The goal is to eliminate standing water around the edges of the greens. We are currently planning a sod project to address #1, #9 and #10 fairways. While some work has been done on #1 and #9 we still need to finish those fairways.

As many of you know we lost a very special member in January. DeDe Valenti passed away on January 23rd. DeDe was a very active member of the club and the current President of the RCCLA. She will be missed by all of her friends, family and staff. Our prayers go out to the Valenti family as they work through this difficult time.

RCCLA NEWS by RHODA COLLIER

As you all know by now that we lost our marvelous Dede Valenti to the Lord last week of COVID.. Our heart goes out to her family.

According to the By-laws of the Association, the 1st Vice-President takes over when the President is unable. I happen to be that person so I will be finishing out the current term. I look forward to working with the Board and our members.

The Board will be meeting in the near future to determine if we will have luncheons in April and May. You will be notified in the next newsletter. We welcome all new women members of the Club to attend our luncheons and join the Association. A great way to meet other ladies.

Thank you and stay safe and healthy.

The Ladies Golf Association met on Wednesday January 27th. Significant on the January agenda was consideration of the Ladies Sandbox Tournament planned for April 20 and 21. Due to safety concerns with Covid-19, the tournament was postponed until sometime in September. Sadly, the tournament was canceled twice in 2020, first in April, then the rescheduled September date was also canceled due to Covid-19.

Course Update~ Derick Hashimoto

Spring is around the corner and things are starting to turn green. With spring coming you will start to see more mowing equipment as we start to get back into a normal routine. We will also be focusing on weed control and the continued removal of St. Augustine in and around the play areas.

Soon we will be starting a sod project on #1, #9 and #10 fairways. Last fall we started working on #1 and #9. We still have plenty of work that needs to be completed on these holes in order to get them in better playing condition. We have also added the right side of #10 fairway to the list. It will require better drainage and new turf. Please be patient with us as we start these projects.

We will also continue to work on these high focus areas:

- Removal of the St. Augustine grass from the playing areas. This will be a slow process before it is all gone but we are working towards that goal.

- We will continue to manage traffic control ropes in the playing area to assist with the grow in

Finally, we need your help in assisting us with cart traffic. With the single cart use program, we are seeing more areas on the course showing signs of the additional cart traffic. PLEASE avoid weak areas and PLEASE observe all cart rules throughout the course.
