

Message from the President—Craig Bohn

Happy New Year! 2022 is going to be an exciting year for RCC. Despite Covid 19, record floods and arctic freezes, I think RCC had a very successful year in 2021. We were able to complete a major sod project on holes 1,9,10 and parts of 18. We completed the bridge repairs on holes 1, 5, 14 and 17. Installed new tennis courts lights and various other projects on the course and around the club. In addition to these projects, we also introduced a new Executive Chef Chris Beasley and new golf course superintendent Mack Williams.

We are excited to have their expertise as a part of RCC.

I also would like to inform all members that we have scheduled our annual club meeting on Saturday, March 19, 2022. Jeanne Hooker will chair the nominating committee with Barbara Smyth assisting her with the process. They are in the process of finalizing their committee members which will be announced very soon.

Hats off to all members and staff for making 2021 a Great Year and let's have another great year in 2022. As always, thank you for your continued support of RCC and everything we are working towards.

Message from the GM~ Rick DeLoach

As Craig mentioned in his article many positive things happened in 2021. We were able to complete some needed projects and will continue the process in 2022. We are hoping that we can get through the winter months with mild temperatures and somewhat normal weather patterns to give us a head start on the course this spring. Maybe if we are lucky, we won't have any floods, major freezes or any other major weather events like we did in 2021.

We always like to bring up the positive things that were accomplished but we should also take some time to remember those friends that are no longer with us. We lost many close friends and members in 2021 due to Covid and other health reasons. They were all great friends and members of the club that will be missed.

With a new year comes new goals and expectations. While we strive to be financially responsible we will continue to work to get better at every aspect of our business. Better service, better food quality, better golf course conditions and general service standards.

Thank you for all of your support in 2021 and we look forward to a productive and positive 2022

The Rock Newsletter

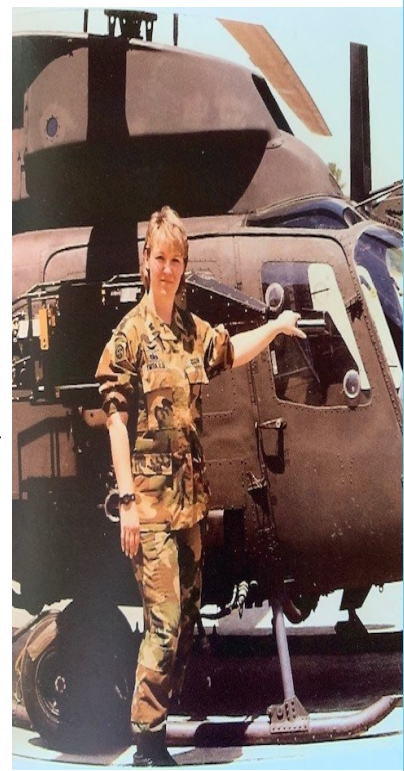

As we continue to write about our Member Military Veterans. RCC would like to honor Bridgett Brundrett and Evelyn Higgs.

Bridget served in the Army in Avionics and as a Paratrooper.

Evelyn served in the Air Force in Law Enforcement and the Army as a Helicopter Pilot. She was the first female warrant officer to fly the OH-58D Kiowa Warrior Helicopter.

They are both proud to have served our country and enjoyed the Brotherhood/Sisterhood with other soldiers-bonds that can never be broken.

Bridget and Evelyn have been to many beautiful places in the world such as Italy and South Korea. But also places that we would never want to go.

Evelyn Higgs

Bridgett Brundett

They have received many medals, commendations, and deployments for Operation Shield/Operation Desert Storm, Bosnian Conflict (Evelyn) and National Defense Medal, Overseas Service Medal-Korea (Bridget).

We are thankful they are home safe and enjoying their time golfing and socializing here at RCC.

Welcome 2022

The LGA had a great year in 2021 and we can't wait to see what 2022 has in store for us.

We would like to thank the outgoing board members for their outstanding service to the LGA. Betty Lamb and Johnnie Bosworth.

We would also like to recognize Laura Wilson for being in charge of our Saturday LGA events. Laura has been amazing serving for several years of Saturdays. Charlotte Sherman and Barbara Poth have graciously volunteered to take over Saturdays.

Our 9 Hole group leader, Barbs Meador continues her enthusiastic leadership with that group and is a wonderful liaison between both 18 hole and 9 hole groups.

We collected donations again for the Blue Santa Program. We are pleased to announce that the amount donated this year was \$2,005.00. All of the money donated will be spent in Rockport, helping our Children have a wonderful Christmas.

Our "Silver Bells" tournament was capped off by a festive Christmas Party. We had a record attendance of 42. The champagne and food was delicious! Congratulations to all of the days winners.

Happy New Year from all of us in the maintenance crew!

For January we will be working on keeping disease and algae issues under control on Greens and in Fairway/Tee areas. We have had issues with Bermuda grass decline at the end of November and will continue to work these issues through spring to make sure we have the best turf stand going into growing season. We have learned a lot about some of the issues affecting these areas this fall and will continue to implement best practices as we go forward. Traffic control and rotation are key through the winter to keep areas from being beaten down and losing turf. This will be a focal point through our long cool spring.

Projects going forward that will be a focus are #4 Tee area drainage and #5 Waste Bunkers and Lake drainage. Tees

"That was some round! not only did you get a birdie...you got a rabbit and two squirrels!"

and areas damaged from chemical applications will be resodded. Also will be re-establishing turf on #9 and #10 Fairways and other areas as needed. We are implementing a nematode and sodium management program on Greens, Fairways and Tees to help reduce turf losses on the course.

Cote De Boeuf

Many of you may wonder what is this new menu item Cote De Boeuf?

Cote De Boeuf is French for "Rib of Beef" and is very popular around the world. This dish is usually for two or more people.

Cote De Boeuf is served table side with a Chef

cutting and serving this delectable dish to you. Add a wonderful Cabernet and Dessert and you will have a world class meal.

Getting Hitched?

Karen will be at the Coastal Wedding Expo to show off the great wedding facilities and services we have here at RCC. The event is Sunday, Jan 9th from 12-5

If your interested in attending, call Karen for more information.
