

Message from the President—Craig Bohn

It's hard to believe this month is the end of my 3 year term. It has been my privilege to serve as your president. We are blessed to have such a wonderful place to enjoy and share with friends, especially considering all the struggles in today's world. Rockport Country Club is our safe haven loved by us all. Rick and his supporting staff have done a great job navigating the club thru trying times.

Your board with their committees have spent numerous hours dedicated to making your club the very best it can be. We are in good financial shape and all aspects of the club are in good hands with positive results to be seen everywhere. Results don't just happen, they are the result of member participation on the committees and on the board.

We are enjoying an increase in our membership and with that we ask our new members to not only enjoy the facility but please join new committees which will be formed following the election. Our club is just as wonderful as we work to make it. I truly love our club and have enjoyed countless good times during my 30+ years as a member. I plan on seeing everyone around for many more to share our great club's experiences.

Message from the GM~ Rick DeLoach

At the end of January 2022 we recorded 620 total members. That is 84 more members than we had at the end of January 2021 and 68 more members than we had on January 31st of 2020. Since we re-opened the clubhouse in December 2018 we have 111 new members at RCC. Needless to say, we are very pleased to have these new members as a part of the club.

With the membership growing it creates more demand for golf tee times and F&B reservations. We simply can't stress the importance of making advanced tee times and or dining reservations including Sunday Brunch. When you make reservations, it allows us to better plan for the day with staffing levels and food preparation. Help us better prepared for your next visit to the club and always make your reservation in advance.

We continue to see supply chain issues. Various food products, golf merchandise (special orders) golf cart batteries, irrigation supplies and equipment repair parts are all being impacted. The bad news is we don't see any relief in the near future. It is hit and miss on a weekly basis on what is available and what will be back ordered. I'm sure you are feeling the same impact at the grocery store or with your online orders.

I guess it's a sign of the times, but we will continue to battle through it until things get better. Until then, please understand that from time to time we may be out of your favorite product, or we will have to wait a little longer for that special order.

The good news is that our membership continues to grow, and Spring is around the corner. We look forward to seeing each of you at the club playing golf, tennis, pickleball, working out or dining. Thank you for all of your continued support.

February 2022

The Rock Newsletter

February was an active month for the LGA. We have been busy playing on our regular play days and planning for our Sandbox Tournament in April. Many thanks for the generous donations of money and service by LGA members and many other members of our community. Look for the tournament fliers in the pro shop. Everyone should have received a digital copy of the invitation. Feel free to forward it to other friends or clubs. We can't wait to host this amazing event.

Remember our meetings and lunch will start after play (around 1:00) or in the case of inclement weather we will start at 12:30.

The January golfer of the month is Elaine Davis! Congratulations, Elaine on your outstanding play!

Elaine Davis

Our 9 Hole group leader, Barbs Meador would like for us to remind members that they play on Tuesday and Thursday on the front at 11 am and Wednesday on the back at 9:15 am.

We would like to congratulate our own Rockport Fulton High School golfer, Hannah Creekmore on an outstanding season. Several members went out to support Hannah at the Regional Tournament held at RCC.

We would like to welcome Carolyn Verthein, Karen Farmer, Leslie Stranahan and Jaspe Johns as our newest members.

If you have any questions, suggestions or concerns please feel free to contact a board member.
